## Why Study in Western Australia?

It is a big decision to choose to study abroad. Your study experience is not just about the Institute and course you choose, but the location and lifestyle on offer.

As a strong resource rich state with low unemployment, **Western Australia is Australia's strongest economy**, providing the opportunity for industry work experience and part time work while you study.

Western Australia is in the same time-zone as many Asian regions and is a direct flight away from a number of capital cities in Asia, Africa, and the Gulf States. This is important if you plan to return home during study breaks or if you have family who wish to visit you while you are studying.

Perth is one of Australia's most dynamic and prosperous cities, and offers a mix of nightlife, restaurants, and cultural experiences, as well as clear blue skies, white beaches and beautiful parklands and gardens.

Western Australia can offer you amazing travel experiences and adventures of a lifetime. From the northern red desert to the southern green forests and sparkling turquoise waters of the Indian and Southern Oceans – there is so much to explore!

## Why Study with TAFE Western Australia?

### > Government Owned + Operated

TAFE offers high quality, nationally recognised courses and is government backed and guaranteed.

### > Practical Workplace Skills

TAFE qualifications provide you with practical experience and industry training that gives you skills employers need.

### > Pathways to University

TAFE Institutes offer programs that have flexible entry requirements and provide opportunities for further study at university.

### > Value for Money

You will receive high quality training and support at an affordable cost.

### > Multiple Locations

TAFE Western Australia has Institutes throughout metropolitan Perth and regional Western Australia.

**central**  
INSTITUTE OF TECHNOLOGY

TAFE INTERNATIONAL

[www.eti.wa.edu.au/central/](http://www.eti.wa.edu.au/central/)

# CENTRAL INSTITUTE OF TECHNOLOGY

## Overview

Winner of the prestigious 'International Training Provider of the Year' in 2014, 2013, 2011 and 2010, Central Institute of Technology (Central) trains more than 1,300 international students each year and has a total student population of over 29,000.

Whether you're looking to study for a career, want a pathway to university or to improve your English language skills, Central offers over 110 courses to suit you.

### Central offers a wide range of study options, including courses in:

- > Engineering, Mining + Construction
- > Business + Management
- > Health, Education + Community Services
- > Creative Arts
- > IT + Interactive Digital Media
- > Science + Environmental Studies
- > Travel and Tourism

## English Courses

Central is a recognised leader in providing nationally accredited English language programs (ELICOS) for students from beginner through to advanced levels.

## Studying at Central

Our campuses are located in the heart of the city, right in the centre of the multicultural and arts precinct, with the facilities you would expect of an innovative and progressive institution. All of Central's campuses are a short walk from public transport, including the bus and train. The free Central Area Transit (CAT) bus operates within the Perth Central Business District (CBD), and provides frequent services around the city.

We concentrate on providing the occupational skills to make you job ready, and work with industry to make sure the skills you learn are the skills that employers want. You learn by practising your skills in real and simulated work environments.

The skills you learn at Central are recognised internationally, giving you global career opportunities.

## Pathways to University

Central has university pathway arrangements with Western Australian universities which means the course you complete at Central will give you credits towards a university degree.

Starting your study at Central reduces your university fees and course duration, and you benefit from gaining

both practical and theoretical skills, as well as improving your English language level. If you choose this option, you also have the chance to work in Australia for two years after completing your degree, under the Department of Immigration and Border Protection's post study work rights: [www.immi.gov.au](http://www.immi.gov.au).

## International Student Support

The International Centre is dedicated to the academic and personal needs of our international students. The staff offer friendly, specialised support and guidance for students from orientation through to graduation. We also have two qualified counsellors who can help with any issues students might have settling in Perth.

Central's international students are given English support throughout their studies.

Central also provides specialised job support that will help you find part time employment in Perth and help you prepare for your future career.

# CHALLENGER INSTITUTE OF TECHNOLOGY

## Overview

Challenger Institute of Technology is one of Western Australia's most diverse training providers, offering international students more than 60 courses from Certificate II to Advanced Diploma at eight campuses.

Many of Challenger's courses include work placements so that students are job ready when they graduate. A number of qualifications at the diploma or advanced diploma level provide higher education pathways to university.

In 2012, Challenger Institute was named Australia's large training provider of the year and it continues to be the preferred choice of more than 23,000 students each year.

### Challenger Institute offers exciting and rewarding career paths in:

- > Animal + Marine studies (Aquaculture)
- > Automotive Technology
- > Business + Management
- > Construction + Engineering
- > Children's + Community Services
- > Health, Recreation + Lifestyle
- > Hospitality + Tourism
- > Information Technology (IT)
- > Maritime
- > Science + Environmental Studies

## Our Campuses

Challenger's campuses are located along the southern coastline of Perth - Fremantle (Maritime, e-Tech and Beaconsfield), Peel, Murdoch,

Rockingham, Kwinana and Munster (Australian Centre for Energy and Process Training - ACEPT).

## Getting to Challenger

The main campuses of Challenger Institute are located in and around Fremantle, at the mouth of the Swan River, about 20 kilometres south of Perth. All of the campus locations are a short walk from public transport, provided by Transperth, including the bus and train. The free Central Area Transit (CAT) bus that operates within the Fremantle Central Business District (CBD) provides frequent services around the city.

## Specialist Training

### Australian Centre for Energy and Process Training (ACEPT)

ACEPT is Australia's leading provider of process operations training, offering qualifications for the oil and gas, mineral and chemical processing industries. It features a full-scale process plant, process control equipment and a state-of-the-art distillation column that ensure hands-on experience in a real-life industry environment.

### Australian Centre for Applied Aquaculture Research (ACAAR)

Located alongside the School of Maritime, ACAAR is a world recognised facility for marine finfish research and development, training and consultancy.

### School of Hospitality and Tourism

The School of Hospitality and Tourism is a multi-award-winning training

facility renowned for excellence in vocational programs. It has won Western Australia's most prestigious tourism award, the Sir David Brand Award for Tourism, and its Quinlan's Training Restaurant has won five Gold Plate Awards for dining excellence.

## School of Maritime

Situated in the heart of Fremantle, Western Australia's major port, the School of Maritime boasts a fleet of vessels and a state-of-the-art maritime simulator training suite, and offers a range of courses meeting state, federal and international maritime standards. It is the ideal training ground for real-world scenarios related to the maritime industry.

## School of Health, Sport and Lifestyle

The School of Health, Sport and Lifestyle focuses on training needs for the beauty, massage, sport and fitness industries. The School has excellent facilities including a beauty and massage clinic (Visage Beauty Clinic).

## International Support

The International Student Support Office helps international students adjust to life in Australia and offers academic and personal assistance, such as: an orientation program; academic study support; personal/wellbeing support; extra-curricular activities; mentor support; employment advice and support; and accommodation advice.

[www.eti.wa.edu.au/polytechnicwest/](http://www.eti.wa.edu.au/polytechnicwest/)

**POLYTECHNIC WEST**  
The Polytechnic of Western Australia  
International Training and Education

# POLYTECHNIC WEST

## Overview

Polytechnic West is one of Western Australia's largest providers of Vocational Education and Training (VET) and Higher Education (HE) courses. We offer more than 70 qualifications for onshore international students across a wide range of trade, technical and professional disciplines. We are government owned and operated with more than 30,000 students, including over 1000 international students from 70 countries studying with us each year.

Polytechnic West works closely with industry to ensure that all of our courses include the skills that are in demand by employers today. Our students graduate with contemporary and relevant skills, taught by lecturers who are passionate about helping students to succeed.

Polytechnic West's courses are designed to create pathways towards further study opportunities. Whether pursuing higher level study with Polytechnic West, or enjoying the partnerships we have with Western Australian universities, our students are afforded the opportunity to continue to build on their skills and knowledge.

**Polytechnic West currently offers Higher Education qualifications in the following areas:**

- > Aviation
- > Business
- > Fashion Business
- > Hospitality Management
- > Network Technology
- > Software Development

**Vocational courses, ranging from Certificates to Advanced Diplomas are available in areas such as:**

- > Animal Management
- > Art, Design + Multimedia
- > Aviation
- > Building Design, Construction + Engineering
- > Business + Management
- > Children's Services
- > Health, Recreation + Lifestyle
- > Hospitality + Food Trades
- > Information Technology (IT)
- > English Language

## Our Campuses

Education and training at Polytechnic West is delivered across six campuses in the Perth metropolitan area, located at Bentley, Balga, Carlisle, Midland, Jandakot and Thornlie.

## Getting to Polytechnic West

The main campus of Polytechnic West is located in Bentley, near Curtin University; about 10 kilometres east of Perth. All of the Polytechnic West campus locations are a short walk from public transport options, including the bus and train.

## Specialist Training

### Aerospace Training Centre

The Aerospace Training Centre in Jandakot includes a 1,500 square metre hangar facility that houses our very own, static, Boeing 737 training aircraft.

*The AeroSpace Training Centre can be accessed by public transport from the Murdoch Train Station, with connecting bus services to Jandakot Airport. Please check details on the [Transperth website](#) for the most current train and bus schedules.*

### Bentley Hospitality Institute

The Bentley Hospitality Institute includes training kitchens, a bakery and an award winning restaurant and bistro, the Bentley Pines.

### Centre for IT Excellence

The Centre for Information Technology Excellence (CITE), based at our Thornlie campus, offers a wide variety of industry-leading IT qualifications and vendor certifications.

### English Language Courses

Polytechnic West offers English Language Intensive Courses for Overseas Students (ELICOS). Our English Language Centre is officially accredited by the National English Language Training Accreditation Scheme (NEAS) and we are current members of English Australia (EA), the peak professional body for all accredited English language (ELICOS) centres in Australia.

### International Support

Polytechnic West's International Centre has a team of dedicated staff able to work across all campuses. They have extensive experience and are able to monitor your progress and provide you with a variety of services to enable you every opportunity to succeed in your chosen field of study.

# WEST COAST INSTITUTE

## Overview

West Coast Institute (WCI) is the premier large training provider in Perth's northern suburbs and provides training to international students from over 50 countries.

### WCI currently offers courses in the following areas:

- > Business + Management
- > Children's + Community Services
- > Construction
- > Environmental Studies
- > Health + Lifestyle
- > Hospitality + Events
- > Information Technology (IT)
- > Multimedia

WCI also offers the Associate Degree in Education (Early Childhood).

## Our Campuses

WCI has two campuses in Perth's northern suburbs, Joondalup and Clarkson.

## Getting to West Coast Institute

WCI's main campus is situated in Joondalup, 25 kilometres north of Perth, or just a 27 minute train ride. It is located in the Joondalup Learning Precinct, which includes Edith Cowan University (ECU) and the Western Australian Police Academy.

All of WCI's campus locations are a short walk from public bus and train

transport provided by Transperth. There is a free Central Area Transit (CAT) bus that operates within the Joondalup Central Business District (CBD) and learning precinct, which provides frequent services around the city.

*Please note: A number of our Health Sciences courses are delivered between the Joondalup (Kendrew Avenue) and Joondalup (McLarty Crescent) campuses. The free CAT bus is available to transport students from the train station to both Joondalup campuses.*

## Specialist Training

### Trades North

Located in Clarkson, Trades North is the Institute's face of trades training and is only a 10 minute drive from the Institute's main Joondalup (Kendrew) campus. It is easily accessible via public transport from Joondalup and Clarkson train/bus stations.

Trades North provides trade training programs in the areas of brick/block laying, plastering, wall and floor tiling, carpentry and horticulture.

### Academy of Hospitality and Culinary Arts

The award-winning West Coast Academy of Hospitality & Culinary Arts, partners with industry and offers a range of live and realistic training environments to prepare students for employment in the culinary and front of house service industries.

The Academy is the only Australian education provider to date to be awarded the prestigious World Association of Chefs Societies (WACS) award for excellence in culinary education.

### Academy of Digital Technologies

The Academy of Digital Technologies (ADT) has a reputation for excellence in the delivery of high quality training and producing award winning graduates in a range of information technology industries and disciplines.

The Academy is at the forefront of digital media including animation, 3D modelling, augmented reality and Computer Generated Imagery. Students are provided with a state-of-the-art learning environment featuring the latest in industry software, motion capture equipment and an animation studio.

### Academy of Health Sciences

WCI's Academy of Health Sciences is a leading provider of specialised health sciences training including nursing, allied health and health services assistance.

## International Support

International students enjoy a high level of personal attention from experienced and committed staff members at the WCI International Student Centre that strongly focus on supporting students to ensure their learning experience is positive and rewarding.

[www.eti.wa.edu.au/southwest/](http://www.eti.wa.edu.au/southwest/)

# SOUTH WEST INSTITUTE OF TECHNOLOGY

## Overview

The South West Institute of Technology (SWIT) is located in the beautiful South West region of Western Australia. Since 2009 the Institute has welcomed over 500 students from 41 different countries who have contributed significantly to the multicultural composition of our campus and the Institute's relaxed, student-friendly atmosphere that offers you a warm welcome, academic support and pastoral care.

Apart from the exceptional learning environment, you can enjoy the region's balmy climate, breathtaking forests, pristine beaches, some of the most spectacular recreational areas in the country close to the City of Bunbury, and only 175km south of Perth.

**South West Institute of Technology offers international student visa holders a choice of over 50 courses in study areas such as:**

- > Art + Design
- > Building Design
- > Business + Management
- > Health, Recreation + Lifestyle
- > Children's + Community Services
- > Hospitality
- > Information Technology
- > Science + Environmental Studies
- > Surveying

Courses range from Certificate to Advanced Diploma level with some diploma courses providing a fast-track pathway to university.

## Our Campuses

The main campus of the South West Institute is located in Bunbury, with smaller campuses in Busselton and Margaret River.

Our unparalleled facilities enable us to add value to your learning journey, and training in our commercial kitchens, fully functional restaurant, industrial workshops, state of the art laboratories, purpose built beauty therapy salons or our horticultural hothouses will give you the practical, hands-on skills to perform effectively in the work environment and secure an independent future.

The Institute has an outstanding reputation for teaching quality and service delivery based on our innovative, flexible and relevant training to consolidate your learning experience and prepare you for employment in your chosen career.

## Getting to SWIT

TransWA operates a long-distance train service from Perth to Bunbury. Bunbury has a bus service that operates between the city centre and suburbs. In Western Australia you will be eligible for a student discount on all public transport.

## Accommodation

Accommodation at Edith Cowan University and Campus Living Villages is available for students studying full time at SWIT. This self-catered student accommodation is modern, comfortable, and secure and is conveniently located in the education precinct, adjacent to SWIT.

## International Support

The International Centre staff aim to inspire you academically and support you during your stay with us and will take you through a comprehensive orientation program prior to you starting your course and maintain a personal interest in your progress.

### Services and support include:

- > Academic study support
- > Personal/social support
- > Employment advice and support
- > Accommodation referral service.

## Experience regional Western Australia

Studying outside of a big city can provide students with a unique opportunity to experience life in a close community that is happy to welcome international students.

Experience the amazing natural beauty of Western Australia with its long stretches of perfect coastline along the mid-west, forests and mountains of the south-west, and tropical deserts and sandy beaches of the north – there are unlimited opportunities for fun and adventure!

Studying at a regional TAFE Institute can provide you with experiences and good friendships you will treasure for a lifetime, while earning a qualification that will provide excellent future career options.

## DURACK INSTITUTE OF TECHNOLOGY

### Overview

Named the West Australian Large Training Provider of the Year in 2010, and finalist in 2011 and 2012, Durack Institute of Technology is one of Western Australia's leading vocational education and training providers.

Qualifications are offered in the

following industry areas:

- > Aquaculture
- > Multimedia
- > Business and Management
- > Children's and Community Services
- > Health
- > Hospitality
- > Information Technology
- > Science and Environmental Studies

### Our Campus

Durack delivers training for international students at its Geraldton campus, located approximately 450 kilometres north of Perth.

The Geraldton campus has the following services available for students: a client services team who provide a high level of personal attention to Durack student's academic and personal well-being; a café; childcare facilities; free wireless internet access in all classrooms and common areas, a library, and; a learning resource centre including a computer lab with 24 hour access.

### Accommodation

Durack is one of the few training institutes to offer international students accommodation on campus at Pepperell Village. Pepperell Student Village comprises 12 recently refurbished self-contained units.

[www.eti.wa.edu.au/durack/](http://www.eti.wa.edu.au/durack/)

# GREAT SOUTHERN INSTITUTE OF TECHNOLOGY

## Overview

Every year, students from many countries around the world choose to study at Great Southern Institute of Technology, in the south of Western Australia.

The Institute's first class educational facilities, supportive environment and

safe community are enhanced by the city's enviable lifestyle offering stunning inland and coastal scenery, excellent sporting and leisure opportunities and a temperate climate.

### Great Southern Institute delivers qualifications in the areas of:

- > Aquaculture
- > Business and Management
- > Commerce and Accounting

- > Conservation and Land Management
- > Drafting
- > Graphic Design and Information Technology
- > Health and Community Services
- > Horticulture

## Our Campus

The Institute's main campus is in Albany, 420 kilometres south of Perth. This campus offers an inclusive atmosphere, well-equipped classrooms and modern study facilities.

## International Student Support

From initial contact to the completion of the course, students are offered all the support they need to succeed in their studies.

A friendly welcome awaits all international students at Great Southern Institute of Technology.

[www.eti.wa.edu.au/greatsouthern/](http://www.eti.wa.edu.au/greatsouthern/)

# KIMBERLEY TRAINING INSTITUTE

## Overview

Kimberley Training Institute is located in one of the world's last great wilderness areas in the far north of Western Australia. International students are introduced to the lifestyle, culture and industry of the Kimberley through a variety of programs.

### Courses are offered in areas such as:

- > Aquaculture
- > Children's and Community Services
- > Horticulture
- > Hospitality

## Our Campuses

Kimberley Training Institute campuses include Broome and Kununurra. The Broome campus is located approximately 2,000 kilometres north

of Perth. People come to the Kimberley to have an adventure, immerse themselves in the awesome landscape and experience the Aussie 'outback'. Kimberley Training Institute students gain a unique experience and one that they will remember for a lifetime.

## Specialist Training Centre

### Broome Aquaculture Centre

The Broome Aquaculture Centre provides students with a unique opportunity to be at the forefront of

progressive aquaculture development in Australia and allows students to gain experience with finfish, mollusc and crustacean culture techniques.

*Special Note: Some courses may require work based training as part of the course. This will be discussed during orientation. Students will be provided with a letter of introduction outlining: your course, the duration of your course, the benefits for both employer and employee. This will assist with obtaining work in the industry.*

[www.eti.wa.edu.au/kimberley/](http://www.eti.wa.edu.au/kimberley/)

## Student Support Services at your TAFE Institute

### TAFE International Offices

The International Office at your Institute provides a range of support services.

#### These may include:

- > Academic study support
- > Personal/social support
- > Employment advice and support
- > An accommodation referral service.

#### Institute staff will also be able to assist you with:

- > Advice on courses and pathways
- > Advice on changing your course/units/pathways
- > Updating your contact details (i.e. address, email, mobile numbers)
- > Overseas Student Health Care (OSHC) information
- > Information on public transport (buses and trains).

### Orientation

When you arrive in Western Australia, you must attend an orientation session at your Institute.

#### At orientation you will:

- > Receive your class timetable
- > Be given a tour of your campus
- > Find out important information relating to your studies.

### Facilities

Western Australian TAFE Institutes provide students with:

- > Well equipped libraries with access to internet resources
- > Cafeterias that offer a variety of hot and cold food and drinks
- > Links to recreational, social, religious and other facilities that make students feel at home.

### Student ID Card

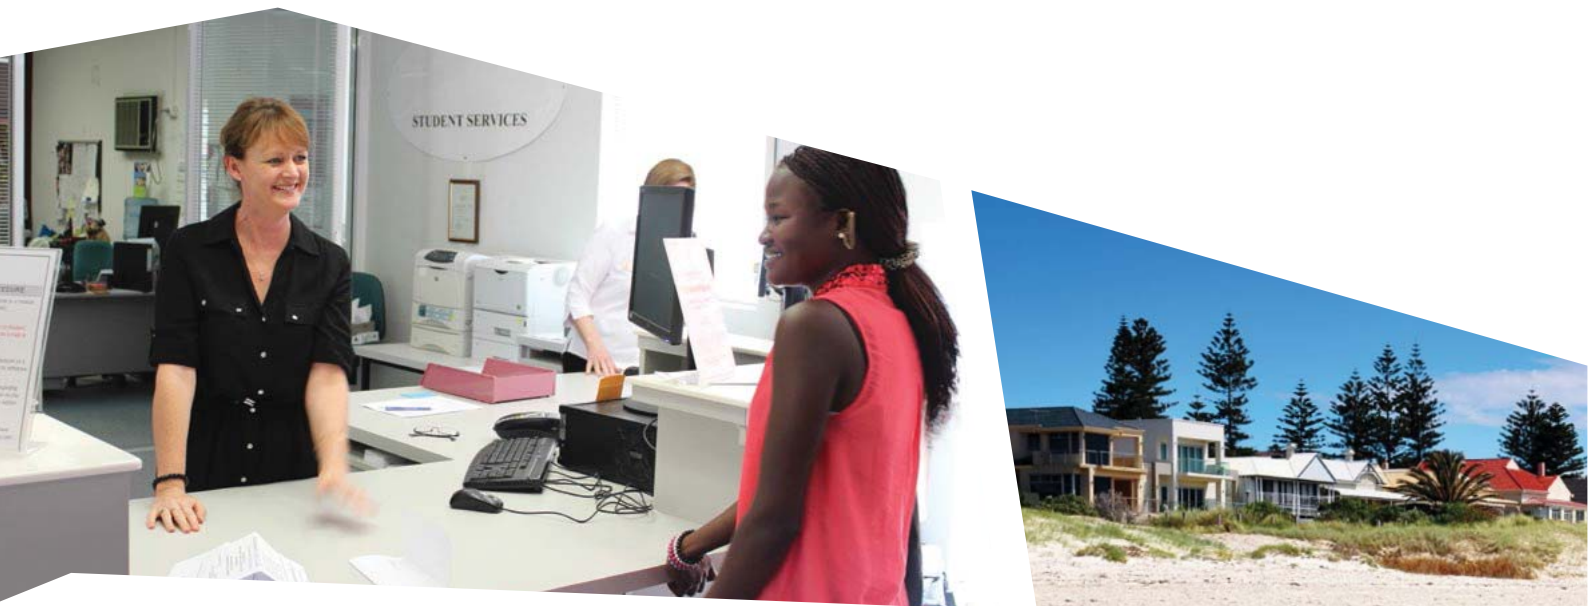

At orientation, you will be provided with a student ID card that gives you access to discounted public transport and a wide variety of entertainment and sporting facilities.

### Safety

Perth is generally a safe city but students should always take precautions particularly when out and about at night. International student advisors can provide students ongoing support and advice during your stay. The Western Australian Police can also provide you with assistance should you require it.

### Religion

Although Australians are predominantly Christian, Australia does not have an official religion, and people are free to practise their religious beliefs, provided they do not break the law. When you arrive in Western Australia if you have any questions about culture and religion the International Student Coordinator at your Institute will be happy to assist you.

## Accommodation

TAFE Western Australian Institutes within the Perth metropolitan area do not offer on campus accommodation. However some of the regional campuses do have limited student accommodation available to rent.

If you are studying at a metropolitan Institute we recommend that you book temporary accommodation for the first few weeks or homestay accommodation for the first month after you arrive in Western Australia.

### Temporary Accommodation

There is a range of temporary accommodation on offer in Perth, which you can search for through the internet and book online. There are many backpacker hostels or budget hotels to choose from that range from \$30 - \$150 AUD per night depending on whether you require shared or single rooms.

### Homestay

Homestay involves students living with an Australian family. This is very popular because you can make Australian friends, embrace the Australian lifestyle and improve your English. Homestay costs between \$255 - \$290 per week depending on age and level of service. There is also a Homestay placement fee of \$230.

**Bookings must be made at least two weeks in advance. Late bookings will incur additional fees.**

#### Homestay options are:

Full service > \$290 per week, includes 3 meals per day.

Half service > \$255 - \$270 per week which includes 2 meals per day.

The fee also includes laundry, snacks, electricity and gas. For more information about Homestay and to make a booking contact Australian Homestay Network (AHN) at: [www.homestaynetwork.org](http://www.homestaynetwork.org).

### Underage Students

All applicants can study at TAFE in the calendar year they are turning 18. For students under 18 years of age, once AHN has identified a homestay family they will give these details to ETI, who will issue the Welfare Letter the student will need to include in their student visa application.

Sometimes parents have relatives or friends in Perth that they would like their child (under 18) to live with. For this to be approved parents need to provide evidence of a long-term family relationship with the proposed hosts. AHN will need to visit the home and ensure it is suitable and appropriate for the child, and all adults living in the home are required to provide Working with Children and Police Criminal Screening checks. This arrangement will need to be registered with AHN and fees do apply.

### Rental Accommodation

Many students choose to share a rental house or apartment with other students as this reduces costs. The average rental price for a furnished room in shared accommodation is around \$150 per week but can range from \$120 - \$180 per week. This cost does not usually include electricity, water or gas expenses. Be sure to arrive well in advance of your course starting to find good accommodation.

#### Some useful websites to search for rental accommodation are:

> [www.realestate.com.au](http://www.realestate.com.au)

> [www.reiwa.com.au](http://www.reiwa.com.au)

> [www.domain.com.au](http://www.domain.com.au)

You can also look in local newspapers such as *The West Australian* or *The Sunday Times*, where a large range of rentals are advertised. The International Student Centre at your TAFE Institute may also be able to provide assistance in identifying suitable accommodation in one of the local suburbs.

## Airport Reception

### Airport Pickup

Airport pickup can be arranged for students arriving in Western Australia at a cost of \$115. Students will be taken directly to their homestay family or temporary accommodation. Please contact AHN at [www.homestaynetwork.org](http://www.homestaynetwork.org) to organise this service. A taxi from the airport to central Perth costs approximately \$40. An airport bus costs approximately \$15, and can drop passengers at central city hotels.

## Employment

You may decide to find a part time job to increase your income and gain work experience whilst undertaking your studies. Your international student visa allows you to work while you are in Australia. International students are allowed to work up to 40 hours a fortnight during each semester and unlimited hours during semester breaks.

You may be able to earn \$15 - \$20 per hour depending upon your skills and experience, but you should not rely on these earnings to pay tuition fees. You can discuss work options with the International Student Coordinator at your Institute after you have started your course so that you can assess them in relation to your course commitments and workload.

### Sample Weekly Budget (AUD)

- > Rent - shared accommodation (average) \$150
- > Gas, water, electricity, phone (landline) \$80
- > Food \$100
- > Public transport \$40
- > Clothing + entertainment \$50 - \$100

**Total \$420 - \$470**

## Overseas Student Health Cover (OSHC)

All international students studying in Australia are required to pay Overseas Student Health Cover (OSHC) for the entire duration of their student visa.

Education and Training International (ETI) can arrange your OSHC cover or you can secure cover from another Health Care provider if you wish.

### Health Cover Costs

ETI works with Allianz Global Assistance to provide OSHC for international students. The following table gives you a guide as to the cost of this cover as at September 2014 (subject to change).

Months duration	Single policy*	Dual Family policy+	Multi Family policy#
6	\$322	\$850	\$1,266
12	\$594	\$1,643	\$2,396
18	\$896	\$2,662	\$4,012
24	\$1,198	\$3,681	\$5,628
30	\$1,506	\$4,594	\$7,023
36	\$1,815	\$5,506	\$8,417

\* **Singles** - Covers only the valid student visa holder.

+ **Dual Family** - Covers one valid student visa holder plus either one adult spouse or recognised de-facto partner or one or more dependent children.

# **Multi-family** - Covers one student visa holder plus more than one dependent which can only include one adult spouse or recognised de-facto partner and one or more dependent children.

## Transport

Western Australia has a large network of public transport options. Perth Airport is the gateway to Western Australia and from the airport you can connect to a network of regional airports located across our large state.

### Public Transport

Public transport in the Perth metropolitan area, including buses and trains, is provided by Transperth, part of the State Government's Public Transport Authority (PTA).

#### Free Travel in Perth City

Perth has a free public transport service known as the Central Area Transit or CAT bus that is available within the Central Business Districts (CBD) of Perth, Joondalup and Fremantle. The CAT bus is free and provides frequent services throughout the day.

#### Discount Travel for Students

Students undertaking full time study at TAFE institutions are entitled to concessional travel entitlements on Transperth and regional town bus services with their Tertiary SmartRider.

To find out more about Smart Rider visit the Transperth website: [www.transport.wa.gov.au](http://www.transport.wa.gov.au).

#### The Transperth Train System Distances\*

Perth > Clarkson = 36 minutes

Perth > Joondalup = 27 minutes

Perth > Fremantle = 28 minutes

Perth > Rockingham = 31 minutes

Perth > Mandurah = 49 minutes

Perth > Midland = 21 minutes

Perth > Armadale = 31 minutes

Perth > Thornlie = 20 minutes

\* These trip times are sourced from Transperth and are current at the time of printing.

**For more information about public transport travel zones, routes and student discounts, visit the Transperth website: [www.transperth.wa.gov.au](http://www.transperth.wa.gov.au).**

### Driving

To drive in Western Australia you will require a valid driver's licence. You may be able to drive in Australia if you have a current licence from your home country. If your overseas licence is not valid you must apply for a West Australian licence if you wish to continue driving.

The Department of Transport provides information regarding licensing and road rules in Western Australia. You can visit their website for more information: [www.transport.wa.gov.au](http://www.transport.wa.gov.au).

### Taxis

Taxis are used throughout Perth and can be caught from a sign-posted taxi rank outside train stations, shopping centres, hotels, shopping and tourist areas. It is also possible to make a phone booking to order a taxi. Please note that catching a taxi on public holidays and at night, may have an additional charge.

### Walking + Cycling around Perth

There are many great walking and cycling tracks around Perth. You will find these along the Swan River in Perth and in many of the outer suburbs. You may even be able to cycle or walk from your accommodation to your Institute. However please remember, in Australia you must wear a cycle helmet at all times and use lights if you cycle at night.

# STUDYING AT TAFE

All courses offered by TAFE Institutes to international students are registered on the Australian Government Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) and are full time. Full time study for international students at TAFE consists of 20 hours of training per week.

TAFE Institutes in Western Australia deliver a range of courses that are developed in consultation with industry and are reviewed regularly to ensure that students graduate with the skills and knowledge required for a successful employment outcome.

Where there is a note in the course information which indicates that a course is under review, this may mean a change in course number, change in course content and/or the introduction of new learning and delivery styles. The new course will continue to be industry focused and get students started on their career pathway.

## Industry Training

All TAFE courses are designed in partnership with industry to ensure training programs meet the needs of employers. Because of this, TAFE courses involve more “hands on” activities and practical experience than university. These activities may include workshops and projects as well as work experience placement.

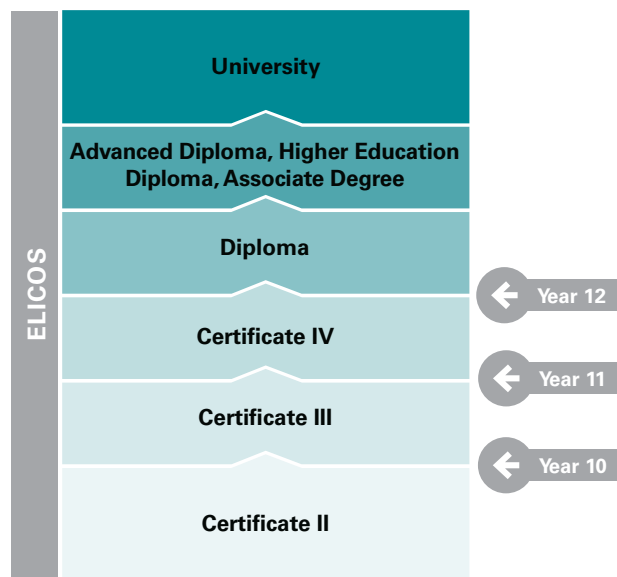

## Qualification Levels

In each TAFE program area there can be multiple qualification levels. Each qualification level represents a combination of skills that enable the graduate to perform various job related tasks to a certain standard.

**From lowest to highest, the qualification levels are:**

- > Certificate I
- > Certificate II
- > Certificate III
- > Certificate IV
- > Diploma
- > Advanced Diploma, Higher Education Diploma, and Associate Degree.

Each qualification level takes a different length of time to complete.

The diagram above shows how School, TAFE and University are connected and the pathways between them. Please note that students may be required to start at a lower qualification level than years of schooling shown above. Please refer to the outline for your selected course in the courses section of this guide.

The years of schooling shown above refer to the Australian education system. For your country's equivalent please see the Admission Requirements section on page 20.

## Competency Based Training (CBT) + Assessment

### Training Packages + CBT

Training packages are used as the basis for most of the Vocational Education and Training (VET) programs delivered by TAFE Institutes throughout Australia. A training package is a set of nationally endorsed standards and qualifications for recognising and assessing people's skills in a specific industry, industry sector or enterprise. They are developed by national Industry Skills Councils (ISCs) in consultation with industry and are not owned by an individual training provider.

Training package qualifications are made up of a set of core and elective units of competency. These units of competency outline the skills and knowledge students

must acquire if they are to successfully complete a qualification. These competencies are delivered by qualified trainers using a Competency Based Training (CBT) approach. CBT places emphasis on what a person can do in the workplace as a result of completing a program of training.

### Competency Based Assessment

Competency Based Assessment is the process of collecting evidence and making judgements as to whether a competency has been achieved. The purpose of assessment is to confirm that a student can perform to the standard expected in the workplace as outlined in the competency. The evidence may be collected by observing a student undertaking a task in the workplace, through a formal theory test, the completion of a project and so on.

If students believe that they are already competent, they can apply for Recognition of Prior Learning (RPL). RPL is the term used to describe a number of assessment processes that formally recognise the competencies an individual has acquired through formal or non-formal learning, work experience and/or life experience. You can find more information about RPL on ETI's website: [www.eti.wa.edu.au](http://www.eti.wa.edu.au).

### Results + Awards

After you have undergone assessment, you will receive one of the following results:

Result code	Result	Definition
CO	Competent	You have met the requirements of the unit of competency.
H	Hold	You have not yet met the requirements of the unit of competency and may need to re-submit or re-sit an assessment.
R	Re-enrol	You have not met the requirements of the unit of competency and must re-enrol and undertake this unit again. Please note that fees are incurred when you re-enrol into a unit(s).

These results will be issued to you as a Statement of Attainment at the end of each Semester of study. If you are deemed not yet competent in any units of competency, your lecturers will give you feedback and provide you with guidance which you can apply when you re-submit assessments.

All students have the opportunity to appeal their results and, if necessary, be reassessed.

When you have been deemed competent in all of the units of competency in your qualification, you will be issued with an Award that is for example, if you have been studying a Diploma program, you will be issued with your Diploma Certificate.

# UNIVERSITY PATHWAYS

## University Partners

TAFE Western Australia has advanced standing agreements with the following Western Australian Universities:

CRICOS  
Provider Code:  
00125J

CRICOS  
Provider Code:  
00279B

CRICOS Provider Code: 00301J

THE UNIVERSITY OF  
WESTERN AUSTRALIA

CRICOS Provider Code: 00126G

These universities give selected Diploma, Advanced Diploma and Associate Degree graduates, entry into a wide variety of degree programs with very competitive advanced standing or credit transfers.

Many students choose to start their studies at TAFE, apply for university entrance towards the end of their Diploma/Advanced Diploma studies and then gain credit for the work they have done.

Students can also apply for a TAFE to degree package and therefore be eligible to apply for a 573 student visa for the entire duration of their TAFE and University programs.

### TAFE to University pathways:

- > provide an industry focused pathway to further study if you do not meet university entry requirements
- > offer smaller class sizes with extra English and academic support
- > provide practical, employment focused skills that will complement your degree
- > may reduce your study load, course duration and fees when you enrol into your university degree
- > may allow you to apply for streamlined visa processing (SVP)
- > On completion of TAFE and university you will have two qualifications that are attractive to employers and that will give you a competitive edge in the global job market.

## University Credits

In the course section of this guide, you will find information about advanced standing or credit transfer arrangements that TAFE Western Australia Institutes have with Western Australian Universities. Please note that a complete list of university credit arrangements can be found on our website

[www.eti.wa.edu.au/university-pathways](http://www.eti.wa.edu.au/university-pathways).

### Credit Points

Each university has a different credit system where students need a certain number of credit points to be eligible for a Bachelor degree. Agreements between TAFE Institutes and the universities specify the credits that a student will receive on transfer from a Diploma or Advanced Diploma to Degree course. This credit transfer may reduce the duration and the cost of the degree program.

To gain the equivalent of one year of advanced standing, you need the following credit points:

- > Curtin University = 200 credit points;
- > Edith Cowan University (ECU) = 120 credit points;
- > Murdoch University = 24 credit points
- > University of Western Australia (UWA) = 48 credit points

If you require more information about the duration and structure of the university partner degrees and credit arrangements please visit:

[www.eti.wa.edu.au/university-pathways](http://www.eti.wa.edu.au/university-pathways).

## Streamlined Visa Processing (SVP)

### Package your TAFE course with a University degree

If you are considering studying an undergraduate degree after your TAFE program, you have the option of packaging that course with an approved undergraduate degree at Curtin University, Edith Cowan University (ECU), Murdoch University or the University of Western Australia (UWA).

### SVP packages allow you to access faster, simpler visa processing particularly from Visa Assessment Level 3 countries.

Packages can only be arranged at the time of application.

To apply for an SVP package you must appoint an education agent that has an agency agreement with both ETI and your preferred university. For a list of education agents in your country please visit: [www.eti.wa.edu.au/find-an-education-agent](http://www.eti.wa.edu.au/find-an-education-agent).

Your agent will assist you with the packaged application and guide you through the streamlined visa process.

You can commence a Diploma, Advanced Diploma or Associate Degree with TAFE and, on completion, transfer to your chosen university to complete your degree program. When you apply for a packaged program you will receive a student visa for the whole period of your study.

Packaged programs 'lock' you into a university and a degree program and it is difficult to change your university and visa subclass once you have commenced your program. It is important that you discuss your options with an approved ETI agent before making a decision to package your program.

**Students undertaking a packaged program should note that their principal course is the university program and should also be aware that there are strict immigration requirements that relate to changing provider or visa subclasses if you have opted for a streamlined visa. For more information please visit: [www.immi.gov.au/study/pages/changing-courses.aspx](http://www.immi.gov.au/study/pages/changing-courses.aspx).**

Student visas for these packages will be assessed by the Department of Immigration and Border Protection according to the relevant streamlined visa packaging agreement. All packaging fees must be paid to ETI together with payment for your TAFE course and OSHC.

For further information about the streamlined visa process and immigration rules please visit: [www.immi.gov.au/Study/Pages/Streamlined-student-visa-processing.aspx](http://www.immi.gov.au/Study/Pages/Streamlined-student-visa-processing.aspx).

### Approved TAFE courses

To find out which TAFE courses are approved for university packaging under SVP arrangements, please see the Course Information provided in the courses section of this guide. For more information about applying for a SVP package and the requirements of the relevant University, please visit: [www.eti.wa.edu.au/streamlined-visa-processing](http://www.eti.wa.edu.au/streamlined-visa-processing).

## Admission Requirements

If you have completed the equivalent of Australian Year 10 or 11, you will most likely begin your studies at Certificate III level. If you have completed the equivalent of Australian Year 12, you may start at Certificate IV or Diploma level.

Each industry area is different so please refer to the specific course information located in the courses section of this guide.

Find the admission requirements for your country in the table below.

Country	Year 10/11 Equivalent	Year 12 Equivalent
 <b>Brazil</b>	Certificado de Ensino Medio (Year 10 or Year 11 equivalent)	Certificado de Ensino Medio from 2011 (year 12 equivalent) ** Certificado de Ensino Medio plus 1 year Diploma or Higher qualification (pre 2011)
 <b>Bangladesh</b>	Secondary School Certificate – pass (DIBP requires completion of Year 11)	Higher Secondary Certificate (minimum GPA 3.5 or 60% in HSC first division pass ) GCE A-Level (2 subject passes)
 <b>Bhutan</b>	Bhutan Middle Secondary School Certificate	Bhutan Higher Secondary School Certificate or Middle Secondary School Certificate plus 2 year relevant vocational diploma
 <b>Chile</b>	Educacion Media (Year 10 or Year 11 equivalent)	Educacion Media (Year 12 equivalent) Licencia de Educacion Media Tecnico-Profesional or Tecnico
 <b>China</b>	Senior Secondary School Certificate (Year 11 equivalent) (DIBP requires completion of Year 11)	Senior Secondary School Certificate
 <b>Colombia</b>	Bachillerato Upper Secondary Schooling (Year 11 equivalent) (DIBP requires completion of Year 11)	Bachillerato plus Curso Tecnico or 1 year Diploma or Higher qualification
 <b>France</b>	Upper Secondary School Certificate	Baccalaaureat
 <b>Germany</b>	Realschule or Hauptschule	Gymnasium
 <b>Hong Kong</b>	Hong Kong Certificate of Education Examination (HKCEE) or Hong Kong Diploma of Secondary Education (HKDSE)	Hong Kong Advanced Level Examination (HKALE) or Hong Kong Diploma of Secondary Education (HKDSE)
 <b>India</b>	All Indian Secondary School Certificate 10+1 (Minimum 50%) Indian Certificate of Secondary Education Senior Secondary, GCE O-Level (4 subject passes)	All Indian Senior School Certificate (Minimum 50%) 10+2 Indian School Certificate (Minimum 50%) Senior Secondary Year 12 Examination (Minimum 50%) GCE A-Level (2 subject passes)
 <b>Indonesia</b>	Secondary School SMU 3 or SMK 3	Senior Secondary School Certificate of Completion (ijazah/STTB SMA/STTB SMK/ STTB MA)
 <b>Japan</b>	Completion of Kotogakko Year 1 Lower Secondary Leaving Certificate	Kotogakko Shomeisho / Upper Secondary School Certificate
 <b>Kenya</b>	KCSE pass or GCE O-Level (4 subject passes)	Completion of Kenya Certificate of Secondary Education (KCSE) with C average or A- Level (2 subject passes) or A level (1 A and 2 AS level passes) or International Baccalaureate Diploma
 <b>Malaysia</b>	SPM or (4 subject passes) in O-Level (D Grade or Higher) or Senior Middle 2	STPM (2 subject passes) or GCE A- Levels (2 subject passes) or UEC (2B's and 2C's in academic)

Country	Year 10/11 Equivalent	Year 12 Equivalent
 <b>Mauritius</b>	GCE O-level (4 subject passes)	GCE A-Levels (2 subject passes) or A level (1 A and 2 AS level passes)
 <b>Myanmar</b>	Matriculation/Basic Education High School (BEHS) (Completion of Year 10 or Year 11) 45% or higher or GCE O - Level (4 subject passes) (DIBP requires completion of Year 11)	Matriculation/Basic Education High School (BEHS) plus minimum completed 2 years at Professional College or Secondary Technical College or GCE A- Level (2 subject passes) or A level (1 A and 2 AS level passes)
 <b>Nigeria</b>	Senior Secondary School (WAEC/NECO) examinations – pass grade	Senior Secondary School (WAEC/NECO) examinations (5 subjects passes C grade average)
 <b>Nepal</b>	Higher Secondary Education Board Certificate (Grade 12)	Higher Secondary Education Board Certificate (Grade 12) (Minimum 55%)
 <b>Pakistan</b>	Higher Secondary School Certificate/ Intermediate Certificate	Higher Secondary School (Intermediate) (D Grade Minimum) Certificate Diploma (Polytechnic/Vocational)
 <b>Philippines</b>	Completion of High School Diploma/ Certificate of Graduation (DIBP requires completion of Year 11)	High School Diploma/Certificate of Graduation/Certificate of Graduation + 2 Years University or 2 Years Community College or 2 Years Technician Training Institute
 <b>Singapore</b>	GCE O-Levels (4 subject passes D grade or higher)	GCE A-Levels (2 subject passes)
 <b>South Africa</b>	National Senior Certificate / Senior Certificate Year 11/10	National Senior Certificate (Year12) Senior Certificate (Year 12) A- Level 2 Passes International Baccalaureate Diploma
 <b>South Korea</b>	11 years of school/10 years of school	General/Academic Senior High School Certificate/Diploma (Kodung Hakkyo Choreupchang)
 <b>Sri Lanka</b>	GCE O - Levels (4 subject passes)	Sri Lankan GCE A-Level (3 passes) British GCE A-Level (2 passes)
 <b>Taiwan</b>	Senior High School (1st or 2nd Year)	Senior High School Diploma or Senior Vocational School Diploma
 <b>Thailand</b>	Upper Secondary School (Matayom 5/ Matayom 4)	Upper Secondary School (Matayom 6 or Certificate in Vocational School)
 <b>UK</b>	GCE O-Level (4 subject passes)	GCE A-Levels (2 subject passes)
 <b>Venezuela</b>	Educacion Media (10 years of secondary schooling minimum)	Educacion Media – Academic or Tecnico (Medio)
 <b>Vietnam</b>	Upper Secondary schooling (Year 10 or 11 equivalent) (DIBP requires completion of Year 11)	Diploma of General Education or Vocational Education Graduation Diploma or Vocational Training Diploma
 <b>Zambia</b>	ZSC or GCE O- Level (4 subject passes)	A - Level (2 subject passes) or A level (1 A and 2 AS level passes) or Diploma in relevant area (1 year minimum)
 <b>Zimbabwe</b>	ZGCE O Level (4 subject passes)	ZIMSEC A level grade - 2 passes D grade or higher or A Level 2 passes or (1 A and 2 AS level passes) or International Baccalaureate Diploma

Please note that entrance may also be possible for mature age students, without the grades listed above, based on appropriate work experience.

## English Language Requirements

The basic level of English proficiency required for entry into most courses is the equivalent of Academic IELTS 5.5 with no band lower than 5.0. Some courses require a higher level of English i.e. IELTS 6.0 or 6.5. You can find this information under each course description in this guide.

**Students who need to improve their English can package an English course with their TAFE program.**

Certificate, Diploma and Advanced Diploma courses	Associate Degrees and other courses*
Password score of 5.5	Password score of 6.0
Eiken Grade Pre 1	Eiken Grade 1
TOEFL 55 (iBT)	TOEFL 60 – no band lower than 15 (iBT)
Pearson Test of English (PTE) Academic – Minimum Level 43	Pearson Test of English (PTE) Academic – 50
Successful completion of at least 2 years of study at an acceptable grade in an English medium course completed within the previous 2 years. OR <ul style="list-style-type: none"> <li>• GCE O Levels English with 'C'</li> <li>• 'A or B in Malaysian SPM English or C in 1119 English</li> <li>• Kenyan KCSE English C</li> </ul>	Successful completion of at least 2 years of study at an acceptable grade in an English medium course completed within the previous 2 years. OR <ul style="list-style-type: none"> <li>• GCE O Levels English with 'B'</li> <li>• 'A' in Malaysian SPM</li> <li>• English or a 'C' in English 1119</li> <li>• Kenyan KCSE English B</li> </ul>
International Baccalaureate (IB) Minimum of 3 in English A1 or A2	International Baccalaureate (IB) Minimum of 4 in English A1 or A2
Completion of the Cambridge First Certificate of English (FCE)	Completion of the Cambridge Certificate in Advanced English (CAE)
Successful completion of English for Academic Purposes (EAP) at Upper Intermediate Level or equivalent at Central Institute/Polytechnic West or a recognised English college	Successful completion of English for Academic Purposes (EAP) at Pre-Advanced level or equivalent at Central Institute/Polytechnic West or a recognised English college
Please note: The Department of Immigration and Border Protection may require different or higher English levels for visa purposes. Please check the visa requirements for your passport nationality <a href="http://www.immi.gov.au">www.immi.gov.au</a> .	

*Education and Training International reserves the right to alter any admission requirement without prior notice.*

### English Courses

If you would like to find out more about studying English at TAFE Western Australia as a pathway to higher study options view: [www.eti.wa.edu.au/study-english](http://www.eti.wa.edu.au/study-english).

## Folio Requirements

If you would like to enrol into a Film + Television, Music, Photography, Radio or Digital Media course at Central Institute of Technology you will need to submit a folio of your work. If you want to continue into the Diploma or Advanced Diploma level in these areas, you may also be required to submit folios.

**Prospective students are required to submit a folio for the following courses:**

- > Diploma of Screen + Media – Film + Television (CUF50107)
- > Diploma of Screen + Media – Radio (CUF50107)

- > Diploma of Screen + Media – Animation (CUF50107)
- > Certificate III in Music (CUS30109), Diploma of Music (CUS50109), and Diploma of Sound Production (CUS50209)
- > Diploma of Photoimaging (CUV50411)
- > Diploma of Mass Communication (52512WA)

Please see: [www.eti.wa.edu.au/folio-requirements](http://www.eti.wa.edu.au/folio-requirements) for detailed information about Folio Requirements.

# IMPORTANT DATES

Students must be ready to join classes on the dates indicated below. Orientation takes place one week prior to the commencement of classes - details will be outlined in your **Letter of Offer** and can also be found on the website at [www.eti.wa.edu.au/semester-dates](http://www.eti.wa.edu.au/semester-dates).

## TAFE Courses

### Certificate and Diploma Courses

Year	Semester	Start Date	End Date
2015	1	Monday 2 February	Friday 3 July
2015	2	Monday 20 July	Friday 11 December

### Associate Degrees

Year	Semester	Start Date	End Date
2015	1	Monday 16 February	Friday 3 July
2015	2	Monday 20 July	Friday 4 December

\* Your Institute will confirm your end date.

## English Language Courses (ELICOS)

### Central Institute of Technology

**Central Institute of Technology** breaks their academic year into 5 blocks of 10 weeks, commencing in February and finishing in January. Orientation and placement testing is held every Friday before classes begin.

Year	Semester	Start Date	End Date
2014/15	5*	17 November	23 January
2015	1	9 February	17 April
2015	2	20 April	26 June
2015	3	29 June	4 September
2015	4	7 September	13 November
2015/16	5*	16 November	22 January

\* In Block 5, EAP and IELTS courses consist of 25 hours per week over 8 weeks while General English consists of 20 hours per week over 10 weeks as usual.

Please note - This includes a 2 week holiday for all courses over the Christmas and New Year period.

### Polytechnic West

**Polytechnic West** breaks their academic year into 4 terms of 10 weeks duration from February to December and a summer school in January for 1 month. You can enrol every Monday up to week 6 in each term. Orientation and placement testing takes place on the Monday you start classes.

Year	Semester	Start Date	End Date
2015	summer	5 January	27 January
2015	1	2 February	10 April
2015	2	20 April	26 June
2015	3	20 July	25 September
2015	4	5 October	11 December

## Application Dates

Please see below to view the application cut-off dates for 2015.

		<b>Associate Degree of Aviation (Aeronautics)</b> National Code: H400	062156M	2 years	\$30,400	

### Description

The aim of this course is to provide a non-licensed qualification that equips students with the underpinning technical and theoretical knowledge for a career in the airline industry. Graduates will have a sound knowledge of aircraft operations for modern airline transport aircraft. Additional business units expand the range of employment opportunities in the field of aviation management.

Graduates will apply underpinning technical and theoretical knowledge in the field of Aviation to the level of Air Transport Pilot. They will acquire specialist knowledge in aeronautics that will enable them to undertake paraprofessional work in the industry, a possible pathway for additional learning about a career as a professional pilot, or further studies at higher educational institutions.

### Career Opportunities

By studying an Associate Degree of Aviation (Aeronautics), graduates will have the opportunity to work in roles within the air transportation industry.

Possible roles available to the graduate include:

- > Dispatch Coordination
- > Flight Planning
- > Crewing
- > Airline Operations
- > Aviation Safety Management.

### Additional Costs

**Resource fees** - \$375 per semester

**Uniform fee** - \$350 (one-time fee)

**Text Books** – \$850 per year approximately

More information on additional costs will be provided at orientation.

### Additional Information

1. Students must have completed Year 11 equivalent for the non-direct entry pathway into this course.
2. Class-based study will be conducted at the AeroSpace Training Centre Facilities at Jandakot Airport. There may be a requirement for attendance at lectures across other Polytechnic West campuses or industry facilities.

3. The AeroSpace Training Centre can be accessed by public transport from the Murdoch Train Station, with connecting bus services to Jandakot Airport. Please check details on the Transperth website for the most current train and bus schedules.
4. The pathways listed for this Associate Degree are based on students studying the courses at Polytechnic West only. Students entering the Associate Degree course after completing the pathway at an alternative Institution may not receive the same credits as students who have completed their full studies at Polytechnic West. Please contact ETI for more information.
5. This course is registered with DIBP as a Higher Education course which means that all students will be required to apply for the Higher Education Sector Visa (subclass 573). Please refer to [www.immi.gov.au](http://www.immi.gov.au) for further information.

### Work Placement

This course has no work placement.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Polytechnic West	ECU	Bachelor of Science (Aviation)	180	Yes
		Bachelor of Aviation	120	Yes

## Aviation (Operations Management)

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Associate Degree of Aviation (Operations Management)</b> Course Code: H401 Duration - 2 years (Direct Entry)	<b>February or July</b> Polytechnic – Aerospace Centre - Jandakot	<b>Associate Degree of Aviation (Operations Management)</b> Course Code: H401	062157K	2 years	\$30,400	← Year 12 plus an IELTS of 6.0 (Academic Version) overall with no band lower than 5.5
<b>Associate Degree of Aviation (Operations Management)</b> Course Code: H401 Duration - 3 years	<b>February or July</b> Polytechnic – Aerospace Centre - Jandakot	<b>Certificate IV in Aviation (Ground Operations &amp; Service)</b> National Code: AVI40408 TAFE ID: S636	074309M	1 year	\$15,500	← Year 11
		<b>Associate Degree of Aviation (Operations Management)</b> Course Code: H401	062157K	2 years	\$30,400	

### Description

The aim of this course is to prepare you for paraprofessional careers in the aviation industry. Graduates will apply underpinning technical and theoretical knowledge in the field of Aviation with specialist knowledge in aviation management to undertake paraprofessional work in the airline and airport operations industry or as a pathway for further learning.

### Career Opportunities

By studying an Associate Degree of Aviation (Operations Management), graduates will have the opportunity to work in both airport and airline operations for major airline/airport organisations, in both the public and private sectors, in areas such as:

- > Airport Operations
- > Airport Planning
- > Airline Operations
- > Aviation Safety Management
- > Aviation Business
- > Airport Services

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Polytechnic West	ECU	Bachelor of Science (Aviation)	150	Yes
		Bachelor of Aviation	90	Yes

### Additional Costs

**Resource fees** - \$375 per semester

**Uniform fee** - \$250 (one-time fee)

**Text Books** – Up to \$850 per year approximately

More information on additional costs will be provided at orientation.

### Additional Information

1. Students must have completed Year 11 equivalent for the non-direct entry pathway into this course.
2. Class-based study will be conducted at the AeroSpace Training Centre Facilities at Jandakot Airport. There may be a requirement for attendance at lectures across other Polytechnic West campuses or industry facilities.
3. The AeroSpace Training Centre can be accessed by public transport from the Murdoch Train Station, with connecting bus services to Jandakot Airport. Please check details on the Transperth website for the most current train and bus schedules.

4. The pathways listed for this Associate Degree are based on students studying the courses at Polytechnic West only. Students entering the Associate Degree course after completing the pathway at an alternative Institution may not receive the same credits as students who have completed their full studies at Polytechnic West. Please contact ETI for more information.

5. This course is registered with DIBP as a Higher Education course which means that all students will be required to apply for the Higher Education Sector Visa (subclass 573). Please refer to [www.immi.gov.au](http://www.immi.gov.au) for further information.

### Work Placement

This course has no work placement.

## Business

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Associate Degree of Business</b> Course Code: H409 Duration - 2 years (Direct Entry)	<b>February or July</b> Polytechnic West – Bentley	<b>Associate Degree of Business</b> Course Code: H409	076029C	2 years	\$30,400	← Year 12 plus an IELTS of 6.0 (Academic Version) overall with no band lower than 5.5
<b>Associate Degree of Business</b> Course Code: H409 Duration - 3 years	<b>February or July</b> Polytechnic West – Bentley	<b>Certificate III in Business</b> National Code: BSB30112 TAFE ID: J337	079070M	6 months	\$5,600	← Year 10

<b>Associate Degree of Network Technology</b> Course Code: H404 Duration - 3 years	<b>February or July</b> Polytechnic West – Thornlie	<b>Certificate III in Information, Digital Media and Technology</b> National Code: ICA30111 TAFE ID: D556	036073G	6 months	\$5,600	← Year 10
		<b>Certificate IV in Information Technology Networking</b> National Code: ICA40411 TAFE ID: D560	036074G	6 months	\$5,600	
		<b>Diploma of Information Technology Networking</b> National Code: ICA50411 TAFE ID: D570	076621J	6 months	\$5,600	
		<b>Associate Degree of Network Technology</b> Course Code: H404	058368M	1.5 years	\$22,800	

### Description

This course will prepare you for a career in the information technology (IT) industry. Training is delivered using the latest technologies in well equipped computer laboratories. Studies align with the Cisco and Microsoft vendor certificates which are recognised by employers and the wider industry. Research and problem solving skills will allow you to further develop and learn once employed.

Graduates will be able to apply their technical and theoretical knowledge in the field of Information Technology with specialist knowledge to undertake professional work in the IT industry or as a pathway for further learning.

### Career Opportunities

- > System Administrator
- > Network Administrator

### Additional Costs

**Text Books:** approximately \$700 per year.

More information on additional costs will be provided at orientation.

### Additional Information

1. This course is registered with the Department of Immigration and Border Protection as a Higher Education course which means that all students will be required to apply for the Higher Education Sector Visa (Subclass 573). Please refer to [www.immi.gov.au](http://www.immi.gov.au) for further information.

2. The pathways listed for this Associate Degree are based on students studying the courses at Polytechnic West only. Students entering the Associate Degree course after completing the pathway at an alternative Institution may not receive the same credits as students who have completed their full studies at Polytechnic West. Students may also be liable to pay extra tuition fees of up to \$500 AUD to cover the cost of the two Cisco units which are required as part of the Associate Degree course. Please contact Polytechnic West for more information.
3. On successful completion of the first 8 units of the Associate Degree, students may exit with a Diploma of Network Technology (Higher Education Diploma). Please contact ETI for more information.

## ANIMAL SERVICES – Companion Animal Services

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate IV in Companion Animal Services</b>  National Code: ACM40310 TAFE ID: S685 Duration - 2 years	<b>February or July</b> Challenger – Murdoch Polytechnic West – Bentley (Certificate III only)	<b>Certificate III in Companion Animal Services</b> National Code: ACM30410 TAFE ID: S681	055047G	1 year	\$11,200	← Year 10
		<b>Certificate IV in Companion Animal Services</b> National Code: ACM40310 TAFE ID: S685	077191G	1 year	\$11,200	

### Description

This course will equip you with the practical skills and knowledge you will need to work at an assistant level in an animal care workplace.

You will develop the skills required for tasks such as animal handling, animal selection, simple breeding procedures, basic animal first aid and behavioural enrichment for animals.

### Career Opportunities

- > Animal Welfare Worker
- > Cattery Operator
- > Kennel Operator
- > Operator In Companion Animal Organisation
- > Pet Shop Owner/Operator

### Additional Costs

**Certificate III Resource Fees:**  
 Polytechnic West - \$285 per semester;  
 Challenger - \$200 per semester

**Certificate IV Resource Fees:**  
 Challenger - \$125 per semester

Students are also required to purchase uniform, textbooks and equipment which may cost approximately \$300 per year. These are retained by the student.

More information on additional costs will be provided at orientation.

### Work Placement

The Certificate III in Companion Animal Services has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates of this course can continue into the Certificate IV in Veterinary Nursing (ACM40412) at Polytechnic West's Bentley Campus.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Veterinary Nursing

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate IV in Veterinary Nursing</b> National Code: ACM40412 TAFE ID: J481 Duration - 2 years	<b>February</b> Polytechnic West – Bentley	<b>Certificate IV in Veterinary Nursing</b> National Code: ACM40412 TAFE ID: J481	082428D	1 year	\$12,800	← Year 12 with passes in Maths and Science
<b>Certificate IV in Veterinary Nursing</b> National Code: ACM40412 TAFE ID: J481 Duration - 2 years	<b>February</b> Polytechnic West – Bentley	<b>Certificate III in Companion Animal Services</b> National Code: ACM30410 TAFE ID: S681	055047G	1 year	\$11,200	← Year 10
		<b>Certificate IV in Veterinary Nursing</b> National Code: ACM40412 TAFE ID: J481	082428D	1 year	\$12,800	

### Description

If you enjoy working with animals then this course will provide you with the practical skills and knowledge you need to help veterinarians in the treatment and care of animals requiring medical and surgical attention.

You will learn to carry out veterinary clinic reception duties, help with surgical preparations and procedures, respond to emergencies, take blood tests and x-rays and prepare medicines prescribed by the vet. You will participate in practical training at the veterinary clinic located on campus.

### Career Opportunities

- > Animal Carer
- > Animal Welfare Worker
- > Veterinary Nurse
- > Veterinary Receptionist
- > Veterinary Surgical Assistant

### Additional Costs

**Resource Fees:** \$500 per semester.

Students are also required to purchase uniform, textbooks and equipment which may cost

Approximately \$350 per year. These are retained by the student.

More information on additional costs will be provided at orientation.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates of this Certificate have met the minimum entry requirements for entry into a university undergraduate degree.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Other Courses Offered in Animal Studies

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate II in Animal Studies</b> National Code: ACM20110 TAFE ID: S677 Duration - 6 months	<b>February or July</b> Challenger – Murdoch	<b>Certificate II in Animal Studies</b> National Code: ACM20110 TAFE ID: S677	077190G	6 months	\$5,600	← Year 10

## MARINE STUDIES – Aquaculture

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Aquaculture</b> National Code: SFI50111 TAFE ID: W990 Duration - 2 years	<b>February</b> Challenger – Fremantle Durack – Geraldton Kimberley – Broome Great Southern – Albany	<b>Certificate II in Aquaculture</b> National Code: SFI20111 TAFE ID: W984	078278C	6 months	\$5,600	← Year 10

### Description

#### Certificate III in Design Fundamentals

This course will provide you with basic skills and knowledge to get you started in a career in design. You will learn how to create and communicate design concepts and evaluate design solutions using design terminology, materials and current technologies. On completion of this course, you will have developed skills in drawing, colour theory and basic research skills, together with a basic knowledge of the design industry. Completion of this course will allow you to progress to higher studies in the Art, Design and Media study areas.

#### Certificate III in Visual Arts

This course will equip you with a range of skills and techniques to produce art and craft works. You will have the ability to select, adapt and transfer skills to different situations in the art industry.

#### Certificate III in Media

This course will enable you to develop the foundation skills needed for further study or entry level employment in a digital media industry. Learn how to work to a deadline and become familiar with digital media trends and technology. A broad range of media areas are covered in the course including graphic design, 2D animation, 3D modelling, video, web pages, digital photography and games development.

### Career Opportunities

These pathway courses will lead you to a range of career opportunities depending on the stream you choose.

### Additional Costs

More information on additional costs will be provided at orientation.

### Further Study

Graduates of these bridging courses can continue into the specialised programs outlined in the pathways information above.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Applied Fashion Design and Technology

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Applied Fashion Design and Technology</b>  National Code: LMT60307 TAFE ID: W396 Duration - 3 years	<b>February</b>  Polytechnic West – Bentley	<b>Certificate IV in Applied Fashion Design and Technology</b> National Code: LMT41007 TAFE ID: W387	063092C	1 year	\$11,200	← Year 10

		<b>Advanced Diploma of Applied Fashion Design and Technology</b> National Code: LMT60307 TAFE ID: W396	075910G	1 year	\$11,200	

### Description

This course provides you with the practical skills and knowledge needed by assistant designers and pattern makers for a career in fashion and design.

The course focuses on patternmaking, merchandising, marketing, retail buying, supply chain management, product development and management of fashion design systems.

You will also learn the requirements and skills needed to become a fashion designer or to work in a design management environment.

### Career Opportunities

- > Business Owner/Operator
- > Clothing Manufacturer
- > Fashion Designer
- > Fashion Stylist
- > Grader/Pattern Maker

### Additional Costs

**Certificate IV Resource Fees:**  
\$400 per semester

**Diploma Resource Fees:**  
\$335 per semester

**Advanced Diploma Resource Fees:**  
\$340 per semester

More information on additional costs will be provided at orientation.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates of the Advanced Diploma can continue into the Associate Degree of Fashion Business at Polytechnic West's Bentley Campus. Students will receive 1 year advanced standing into the Associate Degree of Fashion Business.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Polytechnic West	Curtin	Bachelor of Arts (Fashion)	100 - 300	Yes

## Broadcast Television

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Screen and Media (Broadcast Television)</b> National Code: CUF60107 TAFE ID: D207 Duration - 2 years	<b>February</b> Central – Perth	<b>Certificate III in Media (Film and Television)</b> National Code: CUF30107 TAFE ID: D192	067512M	6 months	\$5,600	← Year 10 plus a folio submission
		<b>Diploma of Screen and Media (Film and Television)</b> National Code: CUF50107 TAFE ID: D201	075988G	12 months	\$11,200	← Year 12 plus a folio submission
		<b>Advanced Diploma of Screen and Media (Broadcast Television)</b> National Code: CUF60107 TAFE ID: D207	075921E	12 months	\$11,200	

### Description

This course will take you 'behind-the-scenes' to develop the technical skills you need to deliver television programs to viewers, such as: capturing vision and sound; lighting; creating replays, graphics and special effects; and managing transmissions from studios.

### Career Opportunities

- > Broadcast Television
- > Outside Broadcast/Location
- > Director/Vision Switcher
- > Producer
- > Production Management
- > Editor EVS/Avid

- > Camera Operator
- > Lighting Director (LD)
- > Audio Director (AD)
- > Television News/Current Affairs Editor

### Additional Costs

#### Certificate III Resource Fees:

\$718 per semester

#### Diploma Resource Fees:

\$815 per semester

#### Advanced Diploma Resource Fees:

\$1,500 per semester

More information on additional costs will be provided at orientation.

### Additional Information

1. A folio is required for acceptance into this course. Please visit [www.eti.wa.edu.au/folio-requirements](http://www.eti.wa.edu.au/folio-requirements) for more information.

### Further Study

Graduates can continue into a University undergraduate degree.

Advanced standing may be granted but will vary between Universities.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Fashion and Textile Design

## GRAPHIC DESIGN PATHWAY TO UNIVERSITY

Central Institute of Technology has joined forces with Perth's Edith Cowan University (ECU) to create a unique, learning pathway for Graphic Designers. Students who come to Central to complete a Certificate IV or Diploma of Graphic Design, now have a fantastic opportunity to study further.

Students who choose to study the Advanced Diploma can continue directly into ECU. The first six months of studying the Advanced Diploma will occur at Central with the final six months including ECU undergraduate studies.

Students receive direct entry into the university course, and only need to complete one further year at ECU to graduate with a Bachelor of Creative Industries with a major in Graphic Design.

	Year 1	Year 2	Year 3 First Semester	Year 3 Second Semester	Year 4
Study at	Central Institute	Central Institute	Central Institute	Central Institute + ECU	ECU
Qualification	Certificate IV	Diploma	Advanced Diploma	Advanced Diploma and Degree	Degree

## Interior Design

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Interior Design</b>  National Code: LMF60208 TAFE ID: W645 Duration - 3-3.5 years	<b>July</b> → Central – Perth  <b>February</b> → Central – Perth South West – Bunbury (Certificate IV only)	<b>Certificate III in Design Fundamentals</b> National Code: CUV30311 TAFE ID: D663	078272J	6 months	\$5,600	← Year 10
		<b>Certificate IV in Interior Decoration</b> National Code: LMF40408 TAFE ID: W641	069245J	1 year	\$11,200	← Year 12
		<b>Diploma of Interior Design and Decoration</b> National Code: LMF50408 TAFE ID: W643	076001D	1 year	\$11,200	
		<b>Advanced Diploma of Interior Design</b> National Code: LMF60208 TAFE ID: W645	075917A	1 year	\$11,200	

### Description

Interior design is the attempt to create functioning, vibrant and stylish interiors drawing from current trends. It lets you express your creativity in a physical and interactive form under the guidelines of the client's wants and needs.

You will learn to use aesthetics, function, materiality, fixtures and fittings to your advantage to create fantastic indoor spaces. You'll have access to modern design facilities and up-to-date software and equipment. You'll also be mentored by industry professionals who have experience in interior design and you'll be able to take advantage of the networks they can offer you.

This industry requires creativity and the ability to work to a client's needs and guidelines. Employment opportunities are good in the commercial sector, including interior designer work in office fit-outs for large businesses. Each year you will undertake a supervised work placement with an interior design company.

### Career Opportunities

- > Interior Design Consultant
- > Interior Designer
- > Interior Stylist
- > Lighting Designer

### Additional Costs

#### Resource Fees:

South West - \$420 per semester

More information on additional costs will be provided at orientation.

### Additional Information

1. Students must enrol into Certificate III in the July intake in order to commence the Certificate IV in February.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Arts (Interior Architecture)	250	Yes
	ECU	Bachelor of Creative Industries (Environmental and Spatial Design)	180	Yes

## Jewellery Design

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Jewellery Design</b>  National Code: 52357 TAFE ID: 7555 Duration - 3-3.5 years	<b>July</b> → Central – Perth	<b>Certificate III in Design Fundamentals</b> National Code: CUV30311 TAFE ID: D663	078272J	6 months	\$5,600	← Year 10
	<b>February</b> → Central – Perth	<b>Advanced Diploma of Jewellery Design</b> National Code: 52357 TAFE ID: 7555	041735K	3 years	\$32,700	← Year 12

### Description

This course will develop your skills in jewellery design and enable you to develop innovative jewellery concepts that stand out in the market.

You will learn how to fabricate unique and individual pieces of jewellery using new and traditional techniques.

You will also learn skills including design development, research, technical innovation, manufacturing techniques, metal forming, wax casting, metal fabrication and setting styles.

### Career Opportunities

- > Jeweller
- > Jewellery Designer
- > Jewellery Retailer
- > Stylist

### Additional Costs

**Resource Fees Year 1 + 2:**  
\$425 per semester

**Resource Fees Year 3:**  
\$450 per semester

**Equipment:** approximately \$1,500

More information on additional costs will be provided at orientation.

### Additional Information

1. Students must enrol into Certificate III in the July intake in order to commence the Advanced Diploma in February.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Arts (3D Design)	400	Yes
	ECU	Bachelor of Arts	180	Yes

## Mass Communication

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Mass Communication</b>  National Code: 52512WA TAFE ID: 7557 Duration - 1 year	<b>February</b>  Central – Perth	<b>Certificate III in Visual Arts</b> National Code: CUV30111 TAFE ID: D664	078729C	6 months	\$5,600	← Year 10
		<b>Diploma of Mass Communication</b> National Code: 52512WA TAFE ID: D664	078285D	1 year	\$12,800	← Year 12 or completion of a Certificate IV in any discipline + Folio & Interview

### Description

This course has been developed for individuals wishing to pursue a career in the contemporary media, communication and information industries.

This course offers you the flexibility to continue your studies in a variety of specialist areas such as film and television, IT studies, multimedia, journalism, advertising, design and photography.

It will provide you with the skills, knowledge and practical training you need to either enter the work force or continue your studies at either TAFE or university.

### Career Opportunities

- > Camera Person
- > Photographer/Photojournalist
- > Radio/Television Broadcaster
- > Video/Online Journalist

### Additional Costs

1. A folio is required for acceptance into this course. Please visit [www.eti.wa.edu.au/folio-requirements](http://www.eti.wa.edu.au/folio-requirements) for more information.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Arts (Mass Communications)	100 - 200	Yes
	ECU	Bachelor of Creative Industries	120	Yes
		Bachelor of Communications	120	Yes

# Photography

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Photography</b>  National Code: 52519WA TAFE ID: 7556 Duration - 2 years	<b>July</b> → Central – Perth	<b>Certificate III in Visual Arts</b> National Code: CUV30111 TAFE ID: D664	078729C	6 months	\$5,600	← Year 10
	<b>February</b> → Central – Perth	<b>Diploma of Photo Imaging</b> National Code: CUV50411 TAFE ID: D659	078283F	1 year	\$11,200	← Year 12 + Folio
		<b>Advanced Diploma of Photography</b> National Code: 52519WA TAFE ID: 7556	078284E	1 year	\$11,200	

## Description

Advance your skills to successfully work as a professional photographer including assessing client needs and aesthetics, and learning to change the environment around you to take a great photo.

You will develop skills in business, research, illustration, exhibition, self-promotion and contemporary studio photography. You will also be able to choose to develop skills in industrial and scientific photography, fine art photography, design or photojournalism.

You will undertake a supervised work placement, allowing you to apply the skills and knowledge you have learnt in real life situations.

## Career Opportunities

- > Photographer
- > Photographic Supplier

## Additional Costs

**Resource Fees Year 1:**  
approximately \$600 per semester

**Resource Fees Year 2:**  
approximately \$900 per semester

**Resource Fees Year 3:**  
approximately \$800 per semester

Students are required to purchase their own equipment e.g. 35mm SLR Camera. Details will be provided at orientation.

## Additional Information

1. Students must enrol into Certificate III Visual Arts in the July intake in order to commence the Diploma in February.
- 2.. A folio is required for acceptance into this course. Please visit [www.eti.wa.edu.au/folio-requirements](http://www.eti.wa.edu.au/folio-requirements) for more information.

## University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Arts (Photography Illustration Design)	100 - 300	No

## Printing and Graphic Arts

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate III in Printing and Graphic Arts (Graphic Design Production)</b>  National Code: ICP30112 TAFE ID: J180 Duration - 3-3.5 years	<b>February or July</b>  Central – Perth	<b>Certificate III in Printing and Graphic Arts (Graphic Design Production)</b> National Code: ICP30112 TAFE ID: J180	079403F	1 year	\$11,200	← Year 10

### Description

This course will develop and build the skills the printing technology and graphic arts industry requires. During your training in graphic design production you will be trained in the latest software used in the advertising, graphic design and printing industries including Adobe Illustrator, Photoshop, InDesign, AcrobatPro and more, from industry professionals. You will also discover how to combine your design skills and technical knowledge to create compelling designs, logos, packaging, publications, digital image manipulations, labels, corporate styles and to produce your own interactive resume to industry standards.

### Career Opportunities

- > Desktop Publisher
- > Junior Designer
- > Pre-Press Production
- > Printer
- > Mac Operator

### Additional Costs

**Resource Fees:** \$750 per semester

More information on additional costs will be provided at orientation.

### Further Study

Graduates can continue into a higher level Design course at Central.

For more information about the range of higher level Design courses see ETI's website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

# Industrial Design

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Industrial Design</b>  National Code: 10221NAT TAFE ID: 3170 Duration - 3-3.5 years	<b>July</b> → Central – Perth  <b>February</b> → Central – Perth	<b>Certificate III in Design Fundamentals</b> National Code: CUV30311 TAFE ID: D663	078272J	6 months	\$5,600	← Year 10
		<b>Diploma of Industrial Design</b> National Code: 10220NAT TAFE ID: 3172	080824G	2 years	\$22,400	← Year 12
		<b>Advanced Diploma of Industrial Design</b> National Code: 10221NAT TAFE ID: 3170	080825G	1 year	\$11,200	

### Description

This course will equip you with the skills you need to develop original and innovative products for a broad range of markets and functions, such as consumer products, electrical and electronic devices, furniture, lighting and industrial products.

You will learn how to develop products that are attractive and usable to a professional standard. Through this Advanced Diploma you will be encouraged to investigate, implement and project manage your own study program, and to deliver projects that are suitable for today's design market.

### Career Opportunities

- > Product Designer
- > Industrial Designer
- > Design Makers
- > Lighting Designer
- > Furniture Designer
- > Spatial Designer

### Additional Costs

There are no additional costs for this course.

### Further Study

Graduates can continue into a University undergraduate degree.

Advanced standing may be granted but will vary between Universities.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Radio

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Screen and Media (Radio)</b>  National Code: CUF50107 TAFE ID: D201 Duration - 2 years	<b>February</b>  Central – Leederville	<b>Diploma of Screen and Media (Radio)</b> National Code: CUF50107 TAFE ID: D201	075988G	1 year	\$11,200	← Year 12 plus a folio submission

### Description

This course will equip you with the skills you will need to have a successful career in radio. You will develop a broad skillset in all aspects of the radio industry, including commercial and management skills. This course is very hands-on and will provide you with a work experience placement in a real radio station, giving you practical experience in the industry and a chance to develop valuable industry networks.

### Career Opportunities

- > Producer/Presenter
- > Production Manager
- > Newsreader
- > Sales and Sponsorship
- > Marketing and Promotions
- > Social Media Content

### Additional Costs

## Digital and Interactive Games

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Digital and Interactive Games</b>  National Code: ICA50211 TAFE ID: D568 Duration - 2 years	<b>February or July</b>  Polytechnic West – Thornlie	<b>Certificate II in Information, Digital Media and Technology</b> National Code: ICA2011 TAFE ID: D555	047500C	6 months	\$5,600	← Year 10
		<b>Certificate III in Media (Digital)</b> National Code: CUF30107 TAFE ID: D192	067512M	6 months	\$5,600	← Year 11
		<b>Certificate IV in Digital and Interactive Games</b> National Code: ICA40911 TAFE ID: D565	076413F	6 months	\$5,600	← Year 12
		<b>Diploma of Digital and Interactive Games</b> National Code: ICA50211 TAFE ID: D568	076622G	1 year	\$11,200	

### Description

This course will equip you with the skills you need to create computer games. You will specialise in games art and design and create your own video game from the start through to the end product, taking it through the pre-production and production phases, performing quality assurance and user testing ready for release.

### Career Opportunities

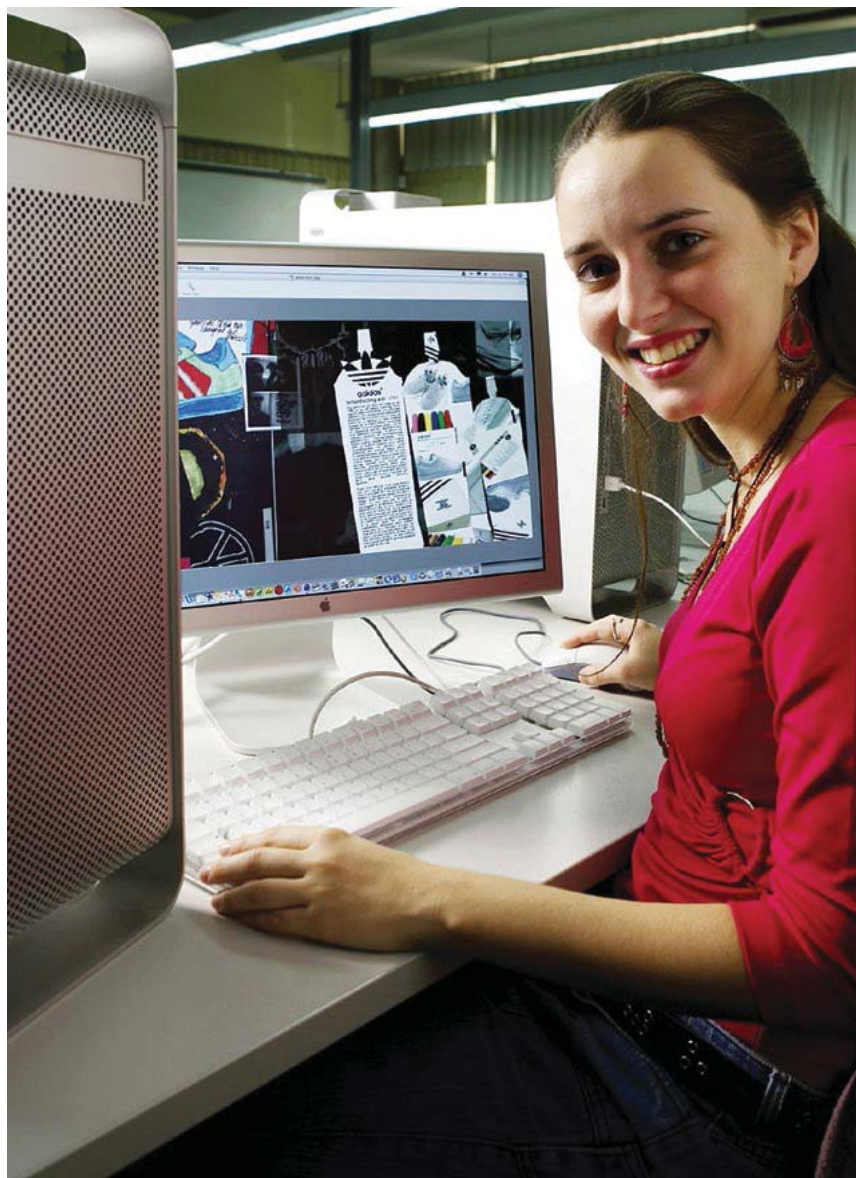

- > 3D Modeller
- > Animator
- > Gaming Designer
- > Games Artist
- > Map Level Designer
- > Asset Producer
- > Gameplay Programmer

### Additional Costs

There are no additional costs for this course.

### Further Study

Graduates of the Diploma of Digital and Interactive Games can continue into the Associate Degree of Software Development (Mobile Applications) at Polytechnic West. No advanced standing is granted.

## Interactive Digital Media

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Interactive Digital Media</b>  National Code: CUF50207 TAFE ID: D202 Duration - 2 years	<b>February or July</b>  Polytechnic West – Thornlie	<b>Certificate II in Information, Digital Media and Technology</b> National Code: ICA20111 TAFE ID: D555	047500C	6 months	\$5,600	← Year 10
		<b>Certificate III in Media (Digital)</b> National Code: CUF30107 TAFE ID: D192	067512M	6 months	\$5,600	← Year 11
		<b>Certificate IV in Interactive Digital Media</b> National Code: CUF40207 TAFE ID: D196	075945G	6 months	\$5,600	
		<b>Diploma of Interactive Digital Media</b> National Code: CUF50207 TAFE ID: D202	075981D	6 months	\$5,600	

### Description

This course will equip you with the skills you need to work in the evolving and exciting world of interactive digital media.

You will develop high-level skills in graphics, 3D modelling, interaction and digital simulations, using industry standard software, namely Adobe® Flash®, Photoshop®, After Effects® and 3D to get you on the path to success within this industry.

### Career Opportunities

- > Animator
- > Rich Media Designer
- > Digital Media Designer/Developer
- > Digital Artist
- > 3D Generalist
- > Web and Interface Designer
- > Media Asset Producer
- > Motion Graphics Artist

### Additional Costs

There are no additional costs for this course.

### Further Study

Graduates of the Diploma of Interactive Digital Media can continue into the Associate Degree of Software Development (Mobile Applications) at Polytechnic West. No advanced standing is granted.

		<b>Diploma of Aeronautics - Commercial (theory and flying)</b> National Code: 52647WA TAFE ID: 3705F	083003K	1.5 years	\$104,500	

### Description

If you have the desire and ambition to become a commercial pilot and work in the aviation industry, then this course is for you. It provides you with the theoretical knowledge to achieve requirements of the private pilot (PPL) and the commercial pilot (CPL) levels from Civil Aviation Safety Authority (CASA). Coupled with the optional flight training program, you may be able to achieve your PPL in just 40 hours flight time. However, due to competency/proficiency, it might take longer and these hours may fluctuate as a result.

You will learn about aerodynamics, aircraft systems, meteorology, navigation, aircraft performance, flight rules and radio telephony. These units developed in consultation with the aviation industry will enable you to be competitive when you apply for positions in airline operations and administration.

You have the option of integrating our Multi-Engine Commercial flight training program at a competitive price. Flight training in Perth is a popular due to the stable weather patterns, safe training environment and flat terrain. As a result, many international airlines, as well as military pilot training conduct effective flight training in Perth.

### Career Opportunities

- > Commercial Pilot (with flight training)
- > Airline Operations Officer
- > Aviation Supervisor
- > Flight Planning and Dispatch Officer

### Additional Costs

**Resource Fees:** \$575 per semester

**Text Books:** approximately \$320

**Uniform:** \$350 (this is retained by the student, and includes the required Polytechnic West pilot shirt, pilot epaulettes, wings when licensed, black tie and pants. Purchase of black dress shoes and belt will be the responsibility of each student

**Equipment:** approximately \$1,350. Purchase of all required professional equipment such as aircraft headsets, plotter charts E6-B flight computer, regulatory publications and pilot bag will be the responsibility of the student i.e. for those undertaking the optional Flight Training Program

**Optional Flying Training:** \$89,000 - based on Multi-Engine Commercial Pilot training program. Some students may take longer to complete the standard syllabus of training therefore the price may increase accordingly.

Polytechnic West does not guarantee a licensed outcome as CASA is the Australian Licensing and regulatory authority for pilots. A Single Engine Option is available for the flying component at a reduced rate. Please discuss this option with the staff at the Aerospace Training Centre when you have commenced your course

More information on additional costs will be provided at orientation.

### Additional Information

1. Class-based study will be conducted at the AeroSpace Training Centre facilities at Jandakot Airport. The flying component is conducted under partnership with a provider at Jandakot Airport.
2. There may be a requirement for attendance at lectures across other Polytechnic West campuses or industry facilities. Aircraft Flight Training will be conducted at the assigned flight facility.

3. Students electing to undertake the practical flying option concurrently with the Diploma of Aeronautics will develop the skills required for a Commercial Pilot's Licence. To gain the CPL, students must be successful in attaining practical flying competency and successfully passing the CASA written exams and flight tests.

Demonstration of competence may take longer than the allocated flight training program's hours dependant on the level of proficiency of the student, and therefore may require additional flying hours at extra cost.

Students wishing to pursue a Pilot's Licence will further be responsible to pay for all required CASA exams towards the issuance of their Licence. This includes an Aviation English Language Proficiency Assessment which is mandatory for the issuance of a Student Pilot Licence.

All flying students will be required to apply and obtain a current Aviation Security Identification Card (ASIC) and a Class 1 Aviation Flight Medical at their own cost. ASIC's identify the holder as having a current security clearance required by CASA and is mandatory to undertake flight training in Australia and is valid for two (2) years. Applications are processed through the CASA website ([www.casa.gov.au](http://www.casa.gov.au)) and may take several months to be issued. It is recommended that international students begin the process prior to commencement of studies.

4. A Class 1 Aviation Flight Medical must be completed by a CASA approved Designated Aviation Medical Examiner to qualify for a student licence. It is strongly recommended that the medical be complete upon entering Australia and prior to the start of the course. All students will be required to show proof of their current medical and ASIC to AeroSpace Training Centre staff prior to being released for flight training.
5. The Aerospace Training Centre can be accessed by public transport via the Murdoch Campus Trainstation and then connecting bus services to Jandakot Airport. Please check details on the Transperth website [www.transperth.wa.gov.au](http://www.transperth.wa.gov.au) for the most current train and bus schedules.

## Aviation Management

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Aviation Management</b>  National Code: 52694WA TAFE ID: 3730 Duration - 1 year	<b>February or July</b>  Polytechnic West – Jandakot	<b>Diploma of Aviation Management</b> National Code: 52694WA TAFE ID: 3730	074380D	1 year	\$15,500	← Year 11

### Description

This course has been designed in consultation with both Australian and international aviation industries and provides you with a non-flying professional career option within the air transport and commercial aviation industries.

You will develop the knowledge and practical skills needed to enhance your opportunities for employment and promotion within the field of airport and aviation management.

You will gain valuable industry exposure to airport/airline operations and develop knowledge of airport systems and processes, coupled with airport operational subjects, such as human resource management, administration, public relations, airport planning and technical engineering.

Graduates of this course have successfully gained employment with both regional and international airports and within the broader Aviation industry.

### Career Opportunities

- > Airport Management Supervisor
- > Aviation Supervisor
- > Aviation Public Relations
- > Ground Service Supervisor
- > Airport Operation Supervisor

### Additional Costs

**Resource Fees:** \$550 per semester

**Text Books:** approximately \$100

**Uniform:** \$250 (retained by the student. Purchase of black dress shoes and belt will be the responsibility of each student)

More information on additional costs will be provided at orientation.

### Additional Information

1. Class based study will be conducted at the Aerospace Training Centre facilities at Jandakot Airport.

There may be a requirement for attendance at lectures across other Polytechnic West campuses or industry facilities.

2. The Aerospace Training Centre can be accessed by public transport via the Murdoch Train station and then connecting bus services to Jandakot Airport. Please check details on the Transperth website [www.transperth.wa.gov.au](http://www.transperth.wa.gov.au) for the most current train and bus schedules.

## Aviation (Ground Operations and Service)

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate IV in Aviation (Ground Operations and Service)</b>  National Code: AVI40408 TAFE ID: S636 Duration - 1 year	<b>February or July</b>  Polytechnic West – Jandakot	<b>Certificate IV in Aviation (Ground Operations and Service)</b>  National Code: AVI40408 TAFE ID: S636	074309M	1 year	\$15,500	 Year 11 with passes in Maths + IELTS score of 5.5

### Description

Learn the practical skills and knowledge you need to undertake a range of activities related to ground and safety operations. This course has been developed in partnership with the Aviation industry and provides you with a professional non-flying career pathway in the exciting world of Aviation.

You will learn to implement and monitor the operational and environmental procedures required in the modern Aviation Industry, including how to use technology appropriately, process documents and deal effectively with customers.

You will acquire the knowledge and practical skills you need to be able to coordinate accident and emergency procedures, identify and respond to health, safety and security issues and communicate effectively in the airline or airport working environment.

Graduates of this course have successfully gained employment with both regional and international airports and within the broader Aviation Industry.

### Career Opportunities

- > Ground Operations Technician
- > Ground Service Provider
- > Baggage Handler Technician

- > Aircraft Re-Fuelling Technician
- > Customer Relations Officer
- > Aircraft Marshalling Technician
- > Aircraft Services and Operations Technician

### Additional Costs

**Resource Fees:** \$600 per semester

**Text Books:** approximately \$350

**Uniform:** \$250 (retained by the student. Purchase of black dress shoes and belt will be the responsibility of each student)

More information on additional costs will be provided at orientation.

### Additional Information

1. Class based study will be conducted at the Aerospace Training Centre Facilities at Jandakot Airport. There may be a requirement for attendance at lectures across other Polytechnic West campuses or industry facilities.
2. The Aerospace Training Centre can be accessed by public transport via the Murdoch Train station and then connecting bus services to Jandakot Airport. Please check details on the Transperth website [www.transperth.wa.gov.au](http://www.transperth.wa.gov.au) for the most current train and bus schedules.

### Further Study

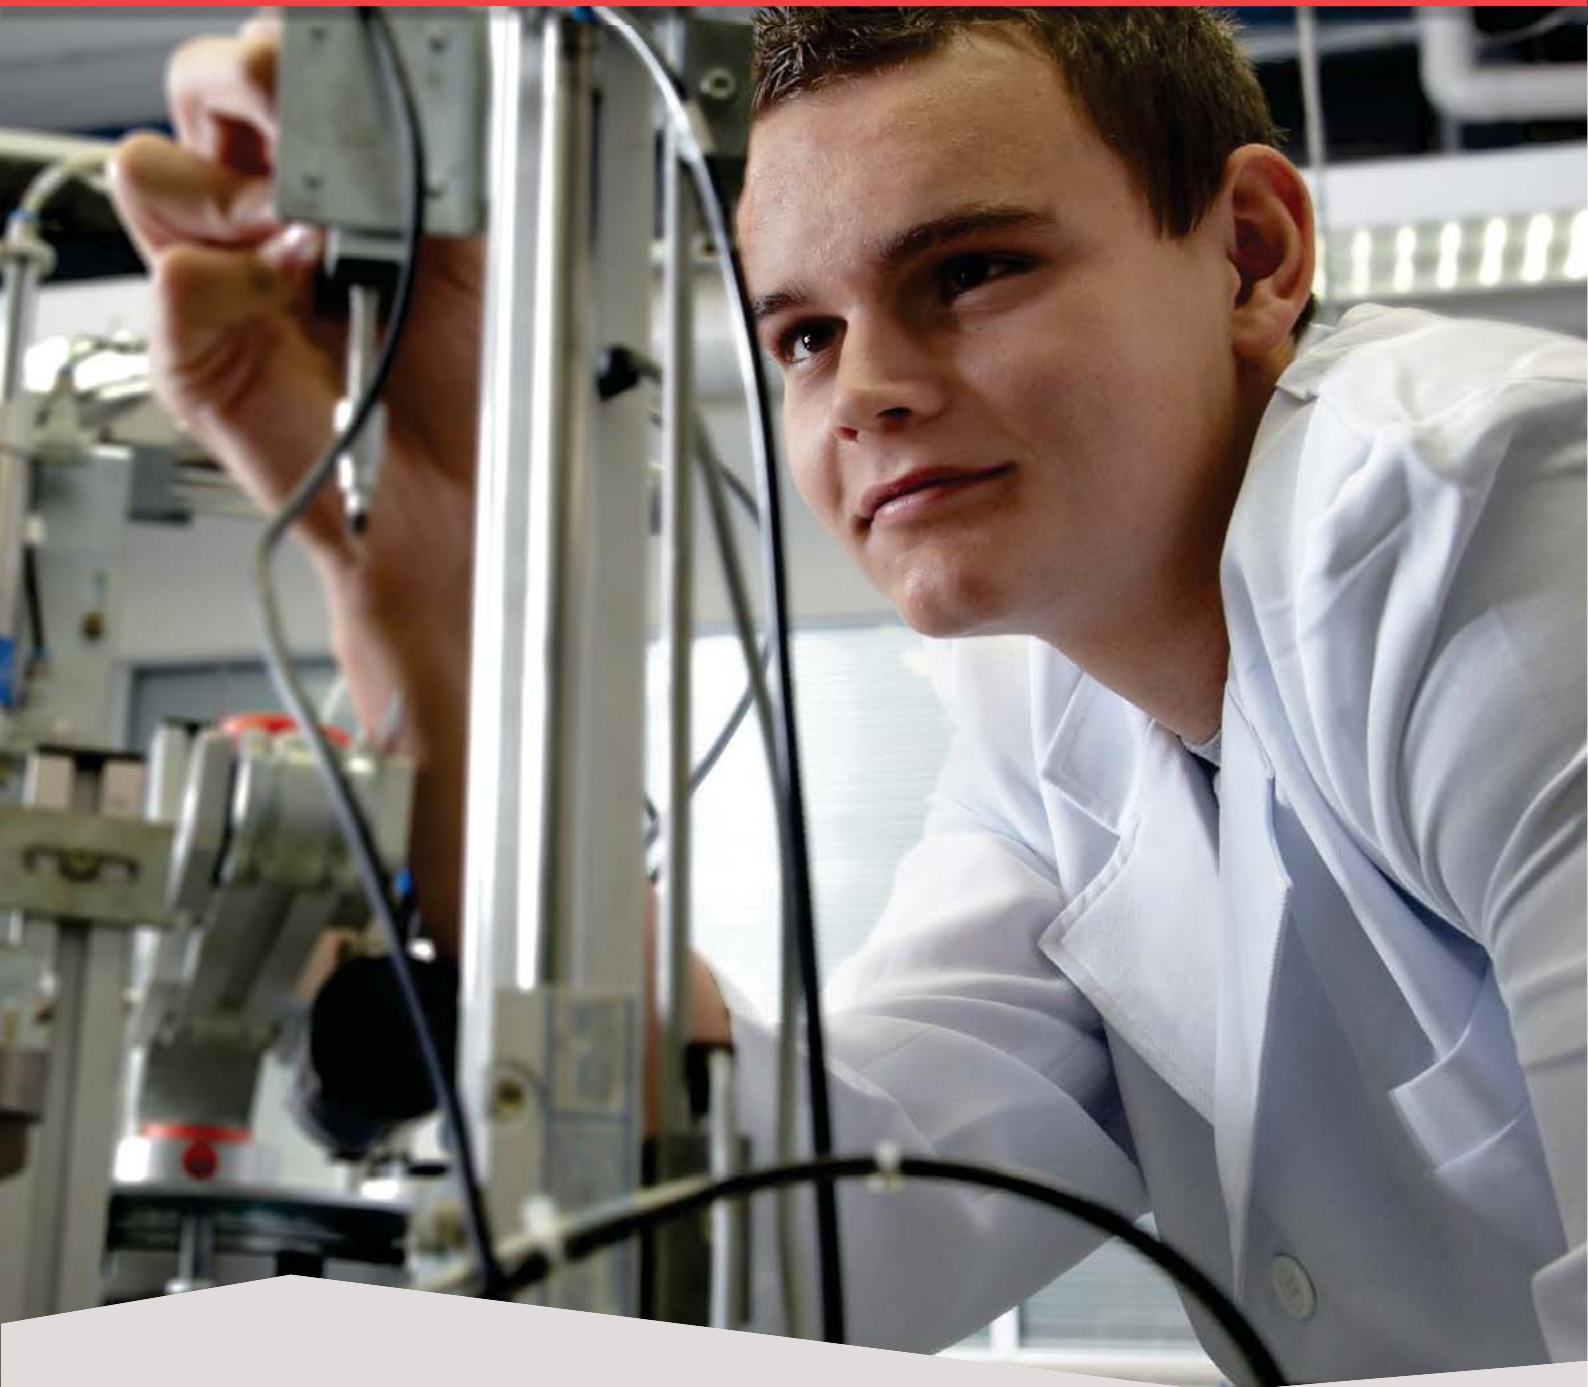

Graduates can continue into a University undergraduate degree.

Advanced standing may be granted but will vary between Universities.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

# BUILDING DESIGN – Building

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Building and Construction (Building)</b>  National Code: CPC50210 TAFE ID: W741 Duration - 2 years	<b>February</b> Central – East Perth	<b>Certificate IV in Building and Construction (Building)</b> National Code: CPC40110 TAFE ID: W740	071962F	1 year	\$12,800	 Year 11 with passes in Maths
	<b>February or July</b> Polytechnic West – Balga	<b>Diploma of Building and Construction (Building)</b> National Code: CPC50210 TAFE ID: W741	076414E	1 year	\$12,800	

## Description

This course introduces you to the legal, structural, financial and managerial processes involved in the construction process. It will provide you with the practical skills and knowledge you need to work as a builder on low rise to medium rise building projects.

You will gain a range of skills enabling you to supervise the planning and quality of construction work and manage the risks associated with projects.

## Career Opportunities

- > Building and Construction Manager
- > Building and Construction Supervisor
- > Builder

## Additional Costs

Text books - approximately \$100 (Polytechnic West only)

## Additional Information

### 1. Central Institute students

To successfully complete this course, students at Central will be required to undertake work placement in the building industry.

At orientation, you will find out more about this placement and during the course of your studies, your lecturers will provide you with the advice you need to organise your placement.

### 2. Polytechnic West students

To successfully complete this course, students at Polytechnic West will be required to participate in work placement for specific units of competency. Details regarding work placement will be discussed at orientation

## Work Placement

### Central

Certificate IV students are required to complete either 75 hours or 10 working days of work placement.

Diploma students are required to complete 50 hours of work placement.

### Polytechnic West

Refer to point 2 under Additional Information.

## University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Applied Science (Construction Management)	200	Yes
	ECU	All Engineering/Technology courses	120	Yes
		Bachelor of Engineering	180	Yes
		Bachelor of Technology	180	Yes
Polytechnic West	Curtin	Bachelor of Applied Science (Construction Management)	100-200	Yes

## Building, Design and Technology

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Building Design</b> National Code: CPP50911 TAFE ID: D772 Duration - 2-3 years	<b>February</b> Great Southern – Albany (Certificate IV only) South West – Bunbury  <b>February or July</b> Central – Perth	<b>Certificate IV in Residential Drafting</b> National Code: 52515WA TAFE ID: 7227	047497D	1 year	\$12,800	← Year 11 with passes in Maths
		<b>Diploma of Building Design</b> National Code: CPP50911 TAFE ID: D772	079399G	2 years	\$25,600	← Year 12

### Description

This course develops the skills you need to convert an idea into a clear, dimensioned drawing to prepare the builder with the necessary information for construction.

Your work will be mostly office-based but also involves spending time on building sites.

You will learn the social and environmental aspects of construction projects and the practical skills required to prepare drawings, estimates and plans using 2D and 3D Computer Aided Design (CAD) techniques. The Diploma fine tunes your skills for the construction of Class 2 to 9 commercial and industrial building projects.

### Career Opportunities

- > Building Contractor
- > Building Designer
- > Building Drafter
- > Architectural Drafter

### Additional Costs

#### Resource Fees:

Central - \$320 per semester;  
 South West - \$490 per semester (both)  
 Great Southern - \$445 per semester

More information on additional costs will be provided at orientation.

### Additional Information

1. If a student has the equivalent to Australian Year 12 then they can enrol directly into the Diploma which will take 2 years to complete.
2. Students who have completed the Certificate IV in Residential Drafting (52515WA) can continue into the Diploma of Building Design and Technology (CPP50911) and receive 6 months advanced standing and will complete the Diploma in 18 months (Central only).

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	UWA	Bachelor of Design (Integrated Design)	48	Yes
		Bachelor of Design (Architecture & Integrated Design)	48	Yes
		Bachelor of Design (Landscape Architecture)	48	Yes

## CONSTRUCTION – Bricklaying/Blocklaying

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate III in Bricklaying/Blocklaying</b>  National Code: CPC30111 TAFE ID: D390 Duration - 2 years	<b>February or July</b>  Challenger – Rockingham and Peel Polytechnic West – Thornlie West Coast – Clarkson	<b>Certificate III in Bricklaying/Blocklaying</b> National Code: CPC30111 TAFE ID: D390	077176F	2 years	\$24,000	 Year 10 with passes in Maths

### Description

This course will develop the skills and knowledge you need to have a successful career in the building and construction bricklaying trade.

Learn how to lay and bond bricks and similar building blocks and how to construct ornamental panels, feature walls, arches and columns. You will also learn how to lay bricks for domestic, commercial and public buildings and how to prepare and maintain brickwork.

### Career Opportunities

> Bricklayer and Blocklayer

### Additional Costs

#### Resource Fees:

Challenger and West Coast - \$600 per semester; Polytechnic West - \$650 per semester

#### Uniform + Protective Equipment:

approximately \$250

**Tools:** approximately \$300

More information on additional costs will be provided at orientation.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates of this course can continue into the Certificate IV in Building and Construction (Building) - CPC40110.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Carpentry

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate III in Carpentry</b>  National Code: CPC30211 TAFE ID: D391 Duration - 2 years	<b>February or July</b>  Challenger – Rockingham Polytechnic West – Midland West Coast – Clarkson	<b>Certificate III in Carpentry</b> National Code: CPC30211 TAFE ID: D391	077177E	2 years	\$24,000	 Year 10 with passes in Maths

### Description

This course will develop the skills and knowledge you need to have a successful career as a carpenter in the domestic housing industry or commercial construction area.

You will learn how to use basic carpentry tools, power tools and equipment, read and interpret plans, handle carpentry materials and construct pitched roof, ceiling frames and flooring systems. Carpentry formwork skills in preparation for concrete are also included. You will undertake work experience at various building sites.

### Career Opportunities

> Carpenter

### Additional Costs

Textbooks: approximately \$100 (Polytechnic West only)

#### Resource Fees:

Polytechnic West - \$750 per semester; Challenger - \$500 per semester; West Coast - \$750 per semester

#### Uniform + Protective Equipment:

approximately \$250

**Tools:** approximately \$300

More information on additional costs will be provided at orientation.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates of this course can continue into the Certificate IV in Building and Construction (Building) - CPC40110.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Solid Plastering

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate III in Solid Plastering</b> National Code: CPC31011 TAFE ID: D399 Duration - 2 years	<b>February or July</b> Challenger – Rockingham West Coast – Clarkson	<b>Certificate III in Solid Plastering</b> National Code: CPC31011 TAFE ID: D399	077178D	2 years	\$24,000	 Year 10 with passes in Maths

### Description

This course will develop the skills and knowledge you need to have a successful career in the building and construction industry as a solid plasterer.

You will learn how to finish walls, floors and ceilings in gypsum and Portland cement plasters, and construct various mouldings, textured finishes and ornamental restoration work.

### Career Opportunities

> Solid Plasterer

### Additional Costs

#### Resource Fees:

Challenger - \$500 per semester;  
West Coast - \$600 per semester

#### Uniform + Protective Equipment:

approximately \$250

#### Tools: approximately \$300

More information on additional costs will be provided at orientation.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates of this course can continue into the Certificate IV in Building and Construction (Building) - CPC40110.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Wall and Floor Tiling

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate III in Wall and Floor Tiling</b>  National Code: CPC31311 TAFE ID: D402 Duration - 2 years	<b>February or July</b>  West Coast – Clarkson Polytechnic West – Balga	<b>Certificate III in Wall and Floor Tiling</b> National Code: CPC31311 TAFE ID: D402	077179C	2 years	\$24,000	← Year 10 with passes in Maths

### Description

This course will develop your skills in all aspects of tiling, including wall and floor tiling, mosaic tiling and waterproofing processes. You will train at custom designed facilities where the emphasis is placed on providing hands-on, practical training.

You will be taught to lay ceramic, clay, slate, marble, glass and other types of tiles on external and internal walls and floors to provide protective and decorative finishes.

### Career Opportunities

> Wall and Floor Tiler

### Additional Costs

#### Resource Fees:

Polytechnic West - \$650 per semester  
 West Coast - \$600 per semester

#### Uniform + Protective Equipment:

approximately \$250

**Tools:** approximately \$300

More information on additional costs will be provided at orientation.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates of this course can continue into the Certificate IV in Building and Construction (Building) - CPC40110 at Central or Polytechnic West.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## ENGINEERING – Bridging Course for Engineering

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate III in Engineering (Technical)</b>  National Code: MEM30505 TAFE ID: W240 Duration - 6 months	<b>February or July</b>  Central – Perth Challenger – Fremantle  <b>July</b>  Polytechnic West – Carlisle	<b>Civil and Structural Engineering</b> <b>Civil Construction Design</b> <b>Engineering (Technical)</b> <b>Engineering (Oil and Gas)</b>	074306C	6 months	\$6,900	← Year 10

### Description

This course will develop the practical skills and knowledge you need to carry out technical support functions in mechanical engineering research, design, manufacture operations, and maintenance.

You will learn skills in computer aided drafting, computing, materials testing, mechanical and steelwork design.

You will also learn about safety in the workplace and quality controls and have the opportunity to practice the skills you have learned in an engineering environment.

### Additional Costs

#### Resource Fees:

Challenger - \$300 per semester;  
 Central and Polytechnic West - \$350 per semester

More information on additional costs will be provided at orientation.

### Additional Information

- Please note that Central only delivers the Drafting pathway of this course.

### Further Study

Graduates of this course can continue into one of the following:

- > Diploma of Engineering (Technical) - MEM50211
- > Diploma of Engineering (Technical HVAC) - MEM50211 (Polytechnic West only)
- > Diploma of Engineering (Oil and Gas) - 52171
- > Diploma of Civil Construction Design (RII50509) - W701
- > Advanced Diploma of Engineering Technology – Electrical (UEE62111) – A175

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

# Automotive Technology

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Automotive Technology</b>  National Code: AUR50212 TAFE ID: J423 Duration - 2 years	<b>February</b> Polytechnic West – Carlisle  <b>February or July</b> Challenger – Kwinana	<b>Certificate III in Light Vehicle Mechanical Technology</b> National Code: AUR30612 TAFE ID: J394	080819E	1 year	\$16,000	← Year 11 with IELTS of 5.5 (Academic version)
		<b>Certificate IV in Automotive Mechanical Diagnostics</b> National Code: AUR40212 TAFE ID: J415	080820A	6 months	\$8000	
		<b>Diploma of Automotive Technology</b> National Code: AUR50212 TAFE ID: J423	080821M	6 months	\$8000	

## Description

This course will develop the skills and knowledge you need to be able to analyse and evaluate vehicle engine and fuel system faults and electrical/electronic management systems in the automotive technology industry. You will also learn how to develop and document specifications and procedures, and overhaul engines and associated engine components.

This course will give you the knowledge and some of the skills of an automotive mechanic; however, you will not receive a trade certificate or be able to work as a fully qualified mechanic without further work experience. Please

note that this may not be achievable within the terms of your visa.

## Career Opportunities

- > Automotive Diagnostic Technician (with relevant experience)
- > Automotive Technician> Parts Interpreter
- > Service Advisor

## Additional Costs

### Resource Fees:

Challenger & Polytechnic West = \$1,700 per semester

### Uniform + Protective Equipment:

Challenger & Polytechnic West approximately \$250

**Tools:** approximately \$300 - these are retained by the student.

More information on additional costs will be provided at orientation.

## Work Placement

This course has an optional work placement component. This option is to be undertaken outside of scheduled class times and only after successful completion of a work ready assessment. These requirements will be discussed at orientation.

## Further Study

Graduates can continue into a University undergraduate degree.

Advanced standing may be granted but will vary between Universities.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Civil Construction Design

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Civil Construction Design</b>  National Code: RII60509 TAFE ID: W710 Duration - 2-2.5 years	<b>February or July</b> Challenger – Fremantle	<b>Certificate III in Engineering (Technical)</b> National Code: MEM30505 TAFE ID: W240	074306C	6 months	\$6,900	← Year 10
		<b>Diploma of Civil Construction Design</b> National Code: RII50509 TAFE ID: W701	078735E	1.5 years	\$20,700	← Year 12 with passes in English and Maths
		<b>Advanced Diploma of Civil Construction Design</b> National Code: RII60509 TAFE ID: W710	079003M	6 months	\$6,900	
<b>Advanced Diploma of Civil &amp; Structural Engineering</b>  National Code: 52585WA TAFE ID: 3378 Duration - 2-2.5 years	<b>February or July</b> Central – Perth	<b>Certificate III in Engineering (Technical)</b> National Code: MEM30505 TAFE ID: W240	074306C	6 months	\$6,900	← Year 10
		<b>Diploma of Civil Construction Design</b> National Code: RII50509 TAFE ID: W701	078735E	1 year	\$13,800	← Year 12 with passes in English and Maths
		<b>Advanced Diploma of Civil &amp; Structural Engineering</b> National Code: 52585WA TAFE ID: 3378	080904G	1 year	\$13,800	

### Description

Completion of either of these courses will prepare you for entry into the civil construction industry. Specific areas covered include civil drafting and advanced underpinning principles associated with civil design such as engineering mathematics, statics and strength of materials.

Completion of either of these courses will enable you to design complex projects to ensure the implementation of a client's site requirements. This involves skills such as risk management, team effectiveness, managing design processes and establishing and maintaining quality systems.

You will also gain the skills you need to design bulk earthworks, drainage systems, rural and urban roads and steel and concrete structures.

### Career Opportunities

- > Civil Draftsperson
- > Civil Design Draftsperson
- > Civil Drafting Assistant
- > Construction Supervisor/ Quality Control
- > Senior Civil Works Designer

### Additional Costs

#### Certificate III Resource Fees:

Central - \$350 per semester  
 Challenger - \$300 per semester;

#### Diploma Resource Fees:

Challenger - \$460 per semester

#### Advanced Diploma Resource Fees:

Challenger - \$460 per semester

More information on additional costs will be provided at orientation.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Engineering (Civil and Construction Engineering)	150	Yes
	ECU	Bachelor of Engineering	180	Yes
		Bachelor of Technology	180	Yes
Challenger	Curtin	Bachelor of Engineering	150	Yes
	ECU	All Engineering/Technology courses	180	Yes

# Computer Systems Engineering

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Computer Systems Engineering</b>  National Code: UEE50111 TAFE ID: A155 Duration - 2 years	<b>February or July</b>  Polytechnic West – Thornlie	<b>Certificate IV in Computer Systems</b> National Code: UEE40111 TAFE ID: A132	067506J	1.5 years	\$19,200	← Year 10 with passes in English and Maths
		<b>Diploma of Computer Systems Engineering</b> National Code: UEE50111 TAFE ID: A155	076542G	6 months	\$6,400	

## Description

This course will develop your skills in designing, installing, validating, evaluating and administering computer equipment and systems, and their associated devices.

This course combines computer systems engineering skills with project management and sales skills to open up further opportunities in this industry.

You will also be prepared for internationally recognised industry certifications including Comp TIA A+, CISCO Certified Networking Associate (CCNA), CCNA Security, CISCO Network Professional (CCNP).

## Career Opportunities

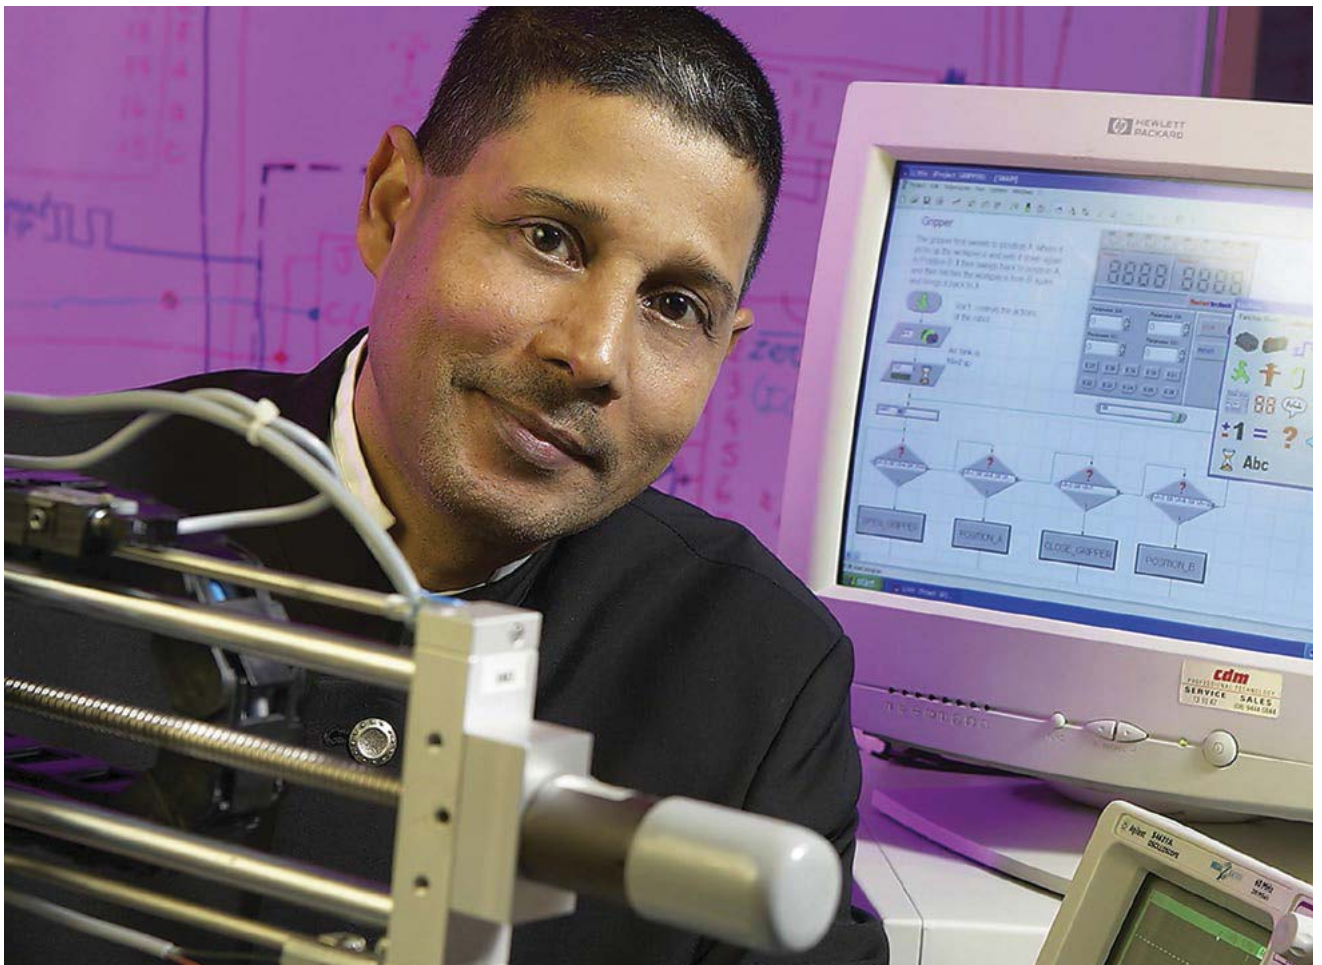

- > Computer Hardware Service Technician
- > Network and Control Systems Support Technician

- > Information Technology Support Technician
- > Business Equipment Technician
- > Electronics and Communication Technician
- > Electronics Engineering Technician

## Additional Costs

**Resource Fees:** \$200 per semester

More information on additional costs will be provided at orientation.

## Electronics and Communications

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Electronics and Communications Engineering</b>  National Code: UEE50111 TAFE ID: A160 Duration - 2 years	<b>February</b> Central – East Perth  <b>February or July</b> Challenger – Fremantle Polytechnic West – Thornlie	<b>Certificate IV in in Electronics and Communications</b> National Code: UEE40711 TAFE ID: A137	066148A	1 year (Challenger)  1.5 years (Polytechnic West + Central)	\$12,800  \$19,200	← Year 10 with passes in English and Maths
		<b>Diploma of Electronics and Communications Engineering</b> National Code: UEE50111 TAFE ID: A160	076543G	6 months	\$6,400	

### Description

This course will equip you with the skills you need to design and validate/ evaluate electronics and communications equipment and systems.

You will learn how to develop, select, commission, maintain and diagnose faults in electronic and communications components, sub-assemblies, apparatus and systems.

You will develop skills that will enable you to plan and initiate alternative approaches to addressing a broad range of technical and management requirements.

### Career Opportunities

- > Instrumentation Technician
- > Business Equipment Technician
- > Electronics and Communications Technical Officer

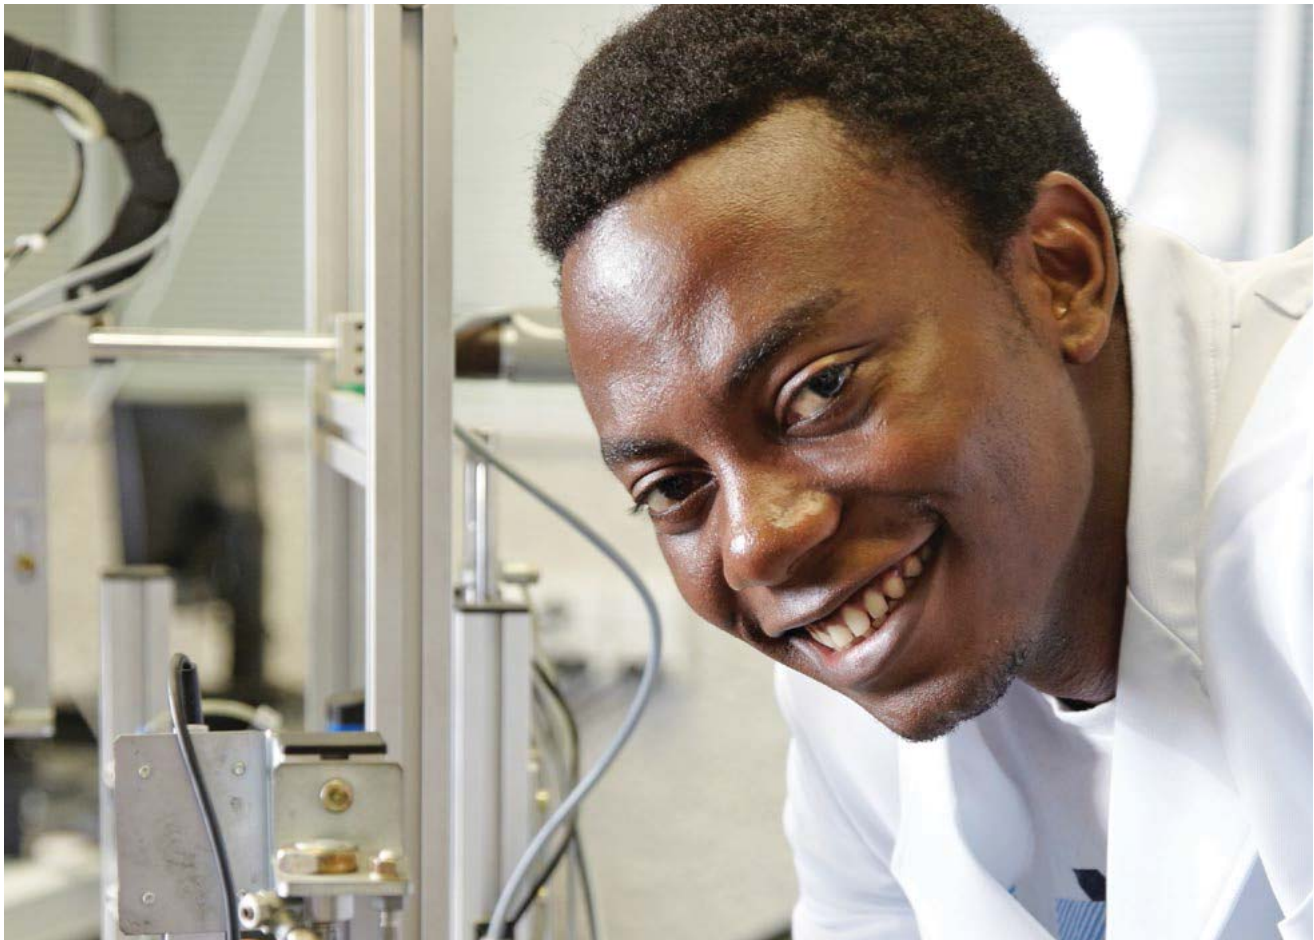

### Additional Costs

#### Resource Fees:

Polytechnic West - \$200 per semester;  
 Challenger - \$300 per semester

**Equipment:** approximately \$250

More information on additional costs will be provided at orientation.

## Engineering Technology (Electrical)

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Engineering Technology (Electrical)</b>  National Code: UEE62111 TAFE ID: A175 Duration - 2 years	<b>February or July</b> Challenger – Fremantle	<b>Advanced Diploma of Engineering Technology (Electrical)</b> National Code: UEE62111 TAFE ID: A175	077193E	2 years	\$27,600	← Year 10

### Description

This course will provide you with the skills and knowledge you need to develop, design, commission and maintain the electrical components/sub-assemblies of electrical equipment and systems.

You will also learn how to diagnose faults or malfunctions as well as develop planning skills and, when required, initiate an alternative approach to a particular task or manage task requirements.

Please note that this course has replaced the Electrical Systems, Electrical Drafting, Industrial Electronics and Control Engineering course.

### Career Opportunities

- > Electrical Technology Advisors
- > Electrical Engineering Technician
- > Electrical Engineering Associate

### Additional Costs

**Resource Fees:** \$490 per semester

More information on additional costs will be provided at orientation.

### Further Study

Graduates can continue into a University undergraduate degree.

Advanced standing may be granted but will vary between Universities.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Challenger	Curtin	Bachelor of Engineering	150	Yes
	ECU	Bachelor of Engineering	180	Yes
		Bachelor of Technology	180	Yes

## Engineering - Technical

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Engineering</b>  National Code: MEM60112 TAFE ID: J368 Duration - 2-2.5 years	<b>February</b> Polytechnic West – Carlisle  <b>February or July</b> Central – Perth Challenger – Fremantle  <b>July</b> Polytechnic West – Carlisle	<b>Certificate III in Engineering (Technical)</b> National Code: MEM30505 TAFE ID: W240	074306C	6 months	\$6,900	← Year 10
		<b>Diploma of Engineering - Technical</b> National Code: MEM50212 TAFE ID: J367	079078C	1 year	\$13,800	← Year 12 with passes in English and Maths
		<b>Advanced Diploma of Engineering</b> National Code: MEM60112 TAFE ID: J368	079074G	1 year	\$13,800	

### Description

This course equips you with the practical skills and knowledge you need to learn how to produce drawings to design specifications for manufacture by an engineering workshop. You will develop a range of computer drafting skills as well as knowledge of mechanical engineering processes and principles.

You will also increase your skills in computing and engineering graphics, materials, systems, standards and processes, including safety in the workplace, effective communication, quality control and project management.

Successful completion of this course will give you the opportunity to become an engineering associate/ technician in your chosen field. This is an engineering course with a strong mechanical focus. This course replaces the Mechanical and Mechanical CAD stream courses previously offered to international students.

### Career Opportunities

> Design Draftsperson

- > Senior Drafter
- > Technical Lead
- > Mechanical Engineering Associate/Technician

### Additional Costs

#### Certificate III Resource Fees:

Challenger - \$300 per semester;  
 Polytechnic West and Central - \$350 per semester

#### Diploma Resource Fees:

Challenger and Polytechnic West - \$350 per semester

#### Advanced Diploma Resource Fees:

Challenger and Polytechnic West - \$350 per semester

**Equipment Fees:** approximately \$300 per semester

More information on additional costs will be provided at orientation.

### Additional Information

1. Students enrolling at Polytechnic West's Carlisle Campus must meet the Year 12 entry requirement for the Diploma and Advanced Diploma.

2. Students have the option to select electives in various specialisations such as Mechanical Engineering, Mechanical CAD, Mechanical Design, Mechanical Drafting and Mechatronics. The specialist areas for each Institute are as follows:

#### Polytechnic West

Heating, Ventilating & Air Conditioning (HVAC)  
 Mechanical Engineering  
 Mechanical CAD

#### Challenger

Mechanical Design  
 Mechanical Drafting

#### Central

Mechanical Engineering  
 Mechatronics

3. **The Advanced Diploma of Engineering - MEM60112 at Challenger has achieved full professional accreditation from the Engineers Australia Accreditation Board as a base qualification for entry to practice in the occupational category of Engineering Associate.**

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Engineering	150	Yes
		Bachelor of Engineering (Mining Engineering)	150	Yes

## Oil and Gas

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Engineering (Oil and Gas)</b>  National Code: 52568WA TAFE ID: 9004 Duration - 2-2.5 years	<b>February or July</b>  Central – Perth	<b>Certificate III in Engineering (Technical)</b> National Code: MEM30505 TAFE ID: W240	074306C	6 months	\$6,750	← Year 10
		<b>Diploma of Engineering (Oil and Gas)</b> National Code: 52567WA TAFE ID: 9003	080969B	1 year	\$13,500	← Year 12 with passes in English and Maths
		<b>Advanced Diploma of Engineering (Oil and Gas)</b> National Code: 52568WA TAFE ID: 9004	080970J	1 year	\$13,500	
<b>Advanced Diploma of Process Plant Technology</b>  National Code: PMA60108 TAFE ID: W519 Duration - 2 years	<b>February or July</b>  Challenger – Munster	<b>Certificate III in Process Plant Operations</b> National Code: PMA30113 TAFE ID: J572	083150K	6 months	\$7,200	← Year 12 with passes in Maths
		<b>Certificate IV in Process Plant Technology</b> National Code: PMA40113 TAFE ID: J571	083151J	6 months	\$7,200	
		<b>Diploma of Process Plant Technology</b> National Code: PMA50108 TAFE ID: W518	075987J	6 months	\$7,200	
		<b>Advanced Diploma of Process Plant Technology</b> National Code: PMA60108 TAFE ID: W519	075920F	6 months	\$7,200	

### Description

#### Central

This course explores the geophysical and chemical formation of petroleum and the concepts of petroleum geology. You will learn about drilling operations, both onshore and offshore; concepts of downhole pressure conditions and formation mechanisms, and well control methodologies. This course also covers the environmental effects of engineering.

#### Challenger

This course provides you with the practical skills and knowledge you need to participate in planning and managing plant shutdowns and taking a leading role in the establishment of systems intended to prevent or enable responses to incidents or emergencies. You will learn about safety case preparation,

incident response management, plant documentation and environmental impacts of the process.

#### Career Opportunities

- > Project Close Out Coordinator
- > Joint Venture Administration Coordinator
- > Technical Assistant
- > Petroleum Technician
- > FLNG Operator

#### Additional Costs

**Certificate III in Process Plant Operations:** \$1,000 per semester

More information on additional costs will be provided at orientation.

### Additional Information

1. Advanced Diploma of Process Plant Operations - this course is taught at the Australian Centre for Energy and Process Training (ACEPT) which is the leading provider of process operations training for the Australian oil and gas, mineral and chemical processing industries. The Centre is located in the suburb of Munster (near Challenger's Fremantle Campus). This facility is owned and operated by Challenger on behalf of the Western Australian Government. ACEPT services the workforce development requirements of companies involved in the North West Shelf offshore oil and gas industry.
2. ACEPT features a full-scale process plant and process control equipment that provides a hands-on experience in a real-life industry environment.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Engineering (Chemical)	150	Yes
		Bachelor of Engineering (Metallurgical Engineering)	150	Yes
	ECU	All Engineering/Technology courses	180	Yes
Challenger	ECU	All Engineering/Technology courses	180	Yes

# Surveying

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Surveying</b>  National Code: CPP60312 TAFE ID: J360 Duration - 3 years	<b>February</b>  Central – East Perth  South West-Bunbury (up to Diploma level only)	<b>Certificate III in Surveying and Spatial Information Services</b> National Code: CPP30112 TAFE ID: J352	080841G	6 months	\$6,900	 Year 11 with passes in English and Maths
		<b>Certificate IV in Surveying</b> National Code: CPP40112 TAFE ID: J354	080842F	6 months	\$6,900	
		<b>Diploma of Surveying</b> National Code: CPP50112 TAFE ID: J357	080843E	1 year	\$13,800	
		<b>Advanced Diploma of Surveying</b> National Code: CPP60312 TAFE ID: J360	0808440	1 year	\$13,800	

## Description

This course provides you with the practical skills you need to successfully carry out the role of surveyor. You will develop skills in the collection of spatial data related to engineering structures, roads, railways and mining operations.

You will also develop skills in the operation of sophisticated survey equipment and software, including GPS, and use this equipment to carry out complex survey projects, including open pit mine operations (Diploma level), underground mine operations (Advanced

Diploma level) and the processing of survey data to produce computer aided engineering drawings and mine plans.

## Career Opportunities

- > Mine/Engineering Surveyor
- > Surveying Assistant
- > Surveying Technician

## Additional Costs

**Certificate III Resource Fees:**  
 South West - \$400 per semester;  
 Central - \$355 per semester

**Certificate IV Resource Fees:**  
 South West - \$400 per semester;  
 Central - \$280 per semester

## Diploma Resource Fees:

South West - \$600 per semester;  
 Central - \$228 per semester

## Advanced Diploma Resource Fees:

Central - \$130 per semester

**Protective Clothing:** approximately \$200

More information on additional costs will be provided at orientation.

## University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Surveying	125	No

## BUSINESS + MANAGEMENT – Bridging Courses

TAFE WA offers students a wide range of diploma courses in business, management and finance. Entry into these Diplomas requires the equivalent of Australian Year 12, however if you do not meet this requirement and would still like to undertake a Diploma, you can enrol into one of the following bridging courses. These courses will prepare you for entry into your chosen pathway.

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate II in Business</b> National Code: BSB20112 TAFE ID: J335 Duration - 6 months	<b>February or July</b> Challenger – Fremantle, Rockingham and Peel Polytechnic West – Thornlie Durack – Geraldton Great Southern – Albany South West – Bunbury Kimberley – Broome, Kununurra	<b>Advertising</b> <b>Banking Services</b> <b>Business</b> <b>Human Resources</b> <b>International Trade</b> <b>Management</b> <b>Marketing</b> <b>Public Relations</b>	079404E	6 months	\$5,600	← Year 10
<b>Certificate III in Business</b> National Code: BSB30112 TAFE ID: J337 Duration - 6 months	<b>February or July</b> Central – Perth Challenger – Fremantle, Peel & Rockingham Polytechnic West – Bentley and Thornlie West Coast – Joondalup Great Southern – Albany Kimberley – Broome, Kununurra	<b>Advertising</b> <b>Banking Services</b> <b>Business</b> <b>Human Resources</b> <b>International Trade</b> <b>Management</b> <b>Marketing</b> <b>Public Relations</b>	079070M	6 months	\$5,600	← Year 10
<b>Certificate III in Business Administration</b> National Code: BSB30412 TAFE ID: J338 Duration - 6 months	<b>February or July</b> Central – Perth Challenger – Fremantle, Rockingham and Peel Polytechnic West – Thornlie Durack – Geraldton South West – Bunbury, Busselton Kimberley – Kununurra	<b>Advertising</b> <b>Business</b> <b>Business Administration</b> <b>Human Resources</b> <b>International Trade</b> <b>Management</b> <b>Marketing</b> <b>Public Relations</b>	079071K	6 months	\$5,600	← Year 10

### Description

#### Certificate II in Business

This course will equip you with the skills that will prepare you for a successful career in business, including word processing, basic spreadsheets, mail procedures, preparing and processing accounts and the operation of a range of general office equipment that are required for entry level clerical and administrative positions, where work is carried out under supervision.

#### Certificate III in Business

This course will develop the practical skills you need to undertake a range of administrative tasks in an office environment, including customer service, computing, accounts and recordkeeping. Completion of this course also provides a pathway into a range of Diploma programs.

#### Certificate III in Business Administration

This course will provide you with the business skills and knowledge you need to successfully perform administrative tasks in different work settings, including accounts payable and receivable processes, organising your work priorities and schedules, providing service to customers and working as part of a team. Completion of this course also provides a pathway into a range of Diploma programs.

#### Career Opportunities

- > Receptionist
- > Clerical Officer
- > Administration Assistant

#### Additional Costs

Students may be required to purchase text books. More information will be provided at orientation.

#### Further Study

Graduates of these bridging courses can continue into a specialised pathway of their choosing (please see table above for a list of options).

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

# Accounting

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Accounting</b> National Code: FNS60210 TAFE ID: S735 Duration - 2 years	<b>February</b> Great Southern – Albany (up to Certificate IV only)  <b>February or July</b> Central – Perth Challenger – Fremantle and Rockingham Polytechnic West – Thornlie (up to Diploma only) West Coast – Joondalup South West – Bunbury	<b>Certificate III in Accounts Administration</b> National Code: FNS30311 TAFE ID: D703	037480G	6 months	\$5,600	← Year 10
		<b>Certificate IV in Accounting</b> National Code: FNS40611 TAFE ID: D707	076404G	6 months	\$5,600	
		<b>Diploma of Accounting</b> National Code: FNS50210 TAFE ID: S718	075959B	6 months	\$5,600	
		<b>Advanced Diploma of Accounting</b> National Code: FNS60210 TAFE ID: S735	075908B	6 months	\$5,600	

## Description

This course will introduce you to both manual and computerised accounting processes and enable you to develop the skills you need to create summaries of financial transactions for business.

You will also develop skills to be able to produce and analyse financial reports, prepare simple and complex tax returns and lodgements and develop business plans. You will also learn how to conduct internal audits, implement tax plans and evaluate tax compliance whilst creating and using complex spreadsheets.

## Career Opportunities

- > Accountant (Not CPA)
- > Assistant Accountant
- > Bookkeeper
- > Junior Office Manager
- > Senior Financial Clerk

## Additional Costs

Students may be required to purchase text books. More information will be provided at orientation.

## Further Study

Graduates of the Advanced Diploma of Accounting can continue into the Associate Degree of Business at Polytechnic West.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	Curtin	Bachelor of Commerce	225	Yes
	ECU	Bachelor of Business	180	Yes
	Murdoch	Bachelor of Business (Accounting)	24	Yes
West Coast	Curtin	Bachelor of Commerce	225	Yes
	ECU	Bachelor of Business	120	Yes
Challenger	Curtin	Bachelor of Commerce	225	Yes

## Banking

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Banking Services Management</b>  National Code: FNS50910 TAFE ID: S725 Duration - 1-1.5 years	<b>February</b>  Central – Perth	<b>Certificate III in Accounts Administration</b> National Code: FNS30311 TAFE ID: D703	037480G	6 months	\$5,600	← Year 10
		<b>OR</b> <b>Certificate III in Business</b> National Code: BSB30112 TAFE ID: J337	079070M	6 months	\$5,600	
		<b>Certificate IV in Banking Services</b> National Code: FNS41011 TAFE ID: D710	077181J	6 months	\$5,600	← Year 12
		<b>Diploma of Banking Services Management</b> National Code: FNS50910 TAFE ID: S725	077910C	6 months	\$5,600	

### Description

This course will provide you with the practical skills and knowledge in the areas of bank branch environments, commercial and retail lending and small business banking. You will gain the knowledge and skills you need to record and create summaries of the financial transactions of a business or other organisation for management purposes. You will also learn how the financial office environment operates and use financial industry standard equipment and software.

### Career Opportunities

- > Bank Officer
- > Collection Clerk
- > Credit Officer
- > Loans Officer

### Additional Costs

There are no additional costs for this course.

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
Central	ECU	Bachelor of Business	125	Yes
	Curtin	Bachelor of Commerce	125	No

## Business

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Business</b> National Code: BSB50207 TAFE ID: D164 Duration - 1-1.5 years	<b>February or July</b> Central – Perth Challenger – Fremantle* Polytechnic West – Bentley and Thornlie West Coast – Joondalup* Great Southern – Albany* Kimberley – Kununnara (*Up to Certificate IV only)	<b>Certificate III in Business</b> National Code: BSB30112 TAFE ID: J337	079070M	6 months	\$5,600	← Year 10
		<b>Certificate IV in Business</b> National Code: BSB40212 TAFE ID: J344	079073G	6 months	\$5,600	← Year 12
		<b>Diploma of Business</b> National Code: BSB50207 TAFE ID: D164	075964E	6 months	\$5,600	

### Description

This course provides you with the skills you need to start your career as a business professional. You will be equipped with a broad range of business skills such as how to communicate effectively with internal and external stakeholders, build strong relationships with clients, and how to supervise and support colleagues and direct reports.

The skills you acquire in this course will enable you to work in a wide range of industries and organisations.

### Career Opportunities

- > Business Owner
- > Consultant
- > Manager
- > Supervisor

### Additional Costs

Students may be required to purchase text books. More information will be provided at orientation.

### Further Study

Graduates of the Diploma of Business can continue into the Associate Degree of Business at Polytechnic West.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

\* or equivalent

## Description

This course will equip you with the skills and knowledge you will need to provide care and meet the social, emotional, physical and educational needs of children aged 0-12 in various care settings.

Learn about ethical work practices and the legal requirements of the industry, and gain advanced skills in care routines, working with families, observing and documenting children's behaviour, working with culturally diverse clients and managing safety in the workplace.

You will undertake a supervised work placement where you will be able to apply the skills and knowledge you have learned.

## Career Opportunities

- > Childcare Assistant
- > Crèche Carer
- > Crèche Coordinator
- > Family or Long-Day Carer
- > Playgroup Assistant
- > Playgroup Carer

## Additional Costs

**GSIT & SWIT – Resource Fees** - \$220 per semester for Certificate III & Diploma

**First Aid Certificate:** approximately \$100

**Working with Children Check:** \$10

More information on additional costs will be provided at orientation.

## Additional Information

1. You must provide a police clearance from your home country before you attend your work placement.

## Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

\* or equivalent

## Description

### Certificate IV in Preparation for Entry into Nursing

This course covers the foundation skills of maths, communication, physics, chemistry, microbiology and human biology; that are needed to achieve the minimum entry requirements of the Diploma of Nursing.

### Certificate IV in Health Science Foundations

This course is designed for students who have not satisfied the necessary secondary education requirements to enter directly into higher level nursing programs, i.e. Enrolled or Registered Nursing. The aim of the course is to improve your maths and communication skills, and knowledge of physics, chemistry, microbiology and human biology.

## Career Opportunities

These bridging courses will lead you to a range of career opportunities depending on the stream you choose.

## Additional Costs

### Cert IV in Preparation for Nursing Education Resource Fees:

\$150 per semester; West Coast - \$180 per semester

### Certificate IV in Health Science

**Foundations Resource Fees:** Challenger - \$250 per semester

More information on additional costs will be provided at orientation.

## Additional Information

1. You must provide a police clearance from your home country before you attend your work placement.

## Work Placement

The Certificate III in Allied Health Assistance at Central has a 4 week full time work placement requirement. Work placement requirements will be discussed at orientation.

## Further Study

Graduates of these bridging courses can continue into the specialised programs outlined above.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Dental Assisting

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate IV in Dental Assisting</b>  National Code: HLT43012 TAFE ID: J092 Duration - 1.5 years	<b>February or July</b>  Central – Nedlands	<b>Certificate III in Dental Assisting</b> National Code: HLT31812 TAFE ID: J058	079011M	1 year	\$12,800	 Year 11 with passes in Science plus an IELTS of 6.0 or equivalent
		<b>Certificate IV in Dental Assisting</b> National Code: HLT43012 TAFE ID: J092	079012K	6 months	\$6,400	

### Description

#### Certificate III in Dental Assisting

This course will teach you how to provide an advanced level of chair side assistance to a dentist or dental therapist. You will learn about dental procedures, materials, equipment, preparation for dental radiography, infection control policies and procedures occupational health and safety and effective workplace communication.

#### Certificate IV in Dental Assisting

During this course you will develop skills to confidently prepare a prescribed dental radiographic image, apply the principles of radiation biology and protection in dental practice, assist in oral health care procedures during general anaesthesia and respond effectively to difficult situations.

### Career Opportunities

- > Dental Assistant
- > Dental Company Representative
- > Dental Receptionist

### Additional Costs

**First Aid Certificate:** \$100

**Working with Children Clearance:** \$10

**Uniform:** \$120

More information on additional costs will be provided at orientation.

### Additional Information

1. You must provide a police clearance from your home country before you attend your work placement.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Students who complete the Certificate IV in Dental Assisting are able to progress to the Diploma of Dental Technology at Central.

Graduates are eligible for entry into a university undergraduate degree.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Dental Technology

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Dental Technology</b>  National Code: HLT50512 TAFE ID: J102 Duration - 2 years	<b>February</b>  Central – Nedlands	<b>Diploma of Dental Technology</b> National Code: HLT50512 TAFE ID: J102	067511A	2 years	\$32,000	 Year 12 with passes in Science and IELTS of 6.0 or equivalent

### Description

This course is delivered in a simulated dental laboratory under the guidance of highly qualified lecturers.

Along with skills in dental technology you will learn about infection control policies and procedures, occupational health and safety and effective workplace communication.

You will also learn to construct, repair and modify dentures, bridges, crowns and other dental appliances.

### Career Opportunities

- > Dental Technician
- > Dental Company Representative

### Additional Costs

**Resource Fees:** \$750 per semester

**First Aid Certificate:** \$100

**Working with Children Clearance:** \$10

**Uniform:** \$120

More information on additional costs will be provided at orientation.

### Additional Information

1. You must provide a police clearance from your home country before you attend your work placement.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

### Further Study

Graduates can continue into a University undergraduate degree.

Advanced standing may be granted but will vary between Universities.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

### Description

This course will equip you with the skills you will need to become a qualified Enrolled Nurse. You will complete supervised clinical placement in hospitals, nursing homes and healthcare agencies. On completion of this course, you can register with the Australian Health Professionals Regulation Agency (AHPRA). You will need an IELTS score of 7.0, with no band lower than 7.0 to register with this agency.

### Career Opportunities

> Enrolled Nurse (Comprehensive)  
[Subject To Registration with AHPRA]

### Additional Costs

#### Resource Fees:

South West - \$350 per semester;  
West Coast - \$400 per semester

**Working with Children Clearance:** \$10

**Uniform:** \$100

### University Pathways

TAFE Institute	University	Qualification	Credit Points	SVP
West Coast	ECU	Bachelor of Science (Nursing)	120	Yes
	Curtin	Bachelor of Science (Nursing)	150	No
Great Southern	Curtin	Bachelor of Science (Nursing)	150	No
South West	Curtin	Bachelor of Science (Nursing)	150	No
	ECU	Bachelor of Science (Nursing)	120	No

### Medical Clearances + Immunisations:

Up to \$400. This includes: the Department of Health Criminal Records Screening Card; the National Police Clearance; Nursing Medicals, plus any vaccinations required or serology reports proving immunity.

More information on additional costs will be provided at orientation.

### Additional Information

- You must provide a police clearance from your home country before you attend your work placement.
- Prior to undertaking the first clinical placement, students must provide a medical clearance from a doctor in Australia, including multiresistant staphylococcus aureus (MRSA) screening, immunisation, tuberculosis (TB) screening and a declaration of any communicable diseases.

3. Students must also undertake a criminal record screening as a requirement of the Health Department of Western Australia and an Australian Police Clearance prior to the first clinical placement.

4. Students at West Coast may have classes at both Joondalup Campus and McLarty campus. The McLarty campus is located 10 minutes from the main campus.

### Work Placement

This course has a work placement component.

Work placement requirements will be discussed at orientation.

# RECREATION – Fitness

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate IV in Fitness</b> National Code: SIS40210 TAFE ID: D438 Duration - 1 year	<b>February</b> Challenger – Fremantle Durack – Geraldton (Certificate III only) South West – Bunbury	<b>Certificate III in Fitness</b> National Code: SIS30313 TAFE ID: J760	083004J	6 months	\$5,600	← Year 11 plus a medical clearance is required
		<b>Certificate IV in Fitness</b> National Code: SIS40210 TAFE ID: D438	077180K	6 months	\$5,600	

### Description

This course will provide you with the wide range of practical skills and knowledge you need to qualify as a personal trainer so that you can plan and conduct fitness programs over a range of contexts.

You will learn how to work with allied health professionals, undertake basic postural appraisals, use a broad range of fitness equipment and analyse client behaviours and strategies to increase exercise participation.

Throughout the course you will also develop the skills, knowledge and expertise you need to work with specific client groups, including older adults, children and adolescents.

### Career Opportunities

- > Gym Instructor
- > Health and Fitness Professional
- > Personal Trainer

Polytechnic West	ECU	Bachelor of Business	180	Yes
		Bachelor of Hospitality + Tourism Management	180	Yes

# Baking

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Certificate III in Retail Baking (Combined)</b>  National Code: FDF30710 TAFE ID: S771 Duration - 1 year	<b>February or July</b>  West Coast – Joondalup	<b>Certificate III in Retail Baking (Combined)</b> National Code: FDF30710 TAFE ID: S771	071347G	1 year	\$14,400	← Year 10

### Description

This course will equip you with the knowledge and skills necessary to work in the baking industry and produce a variety of breads, cakes, pastries and yeast goods.

You will learn how to decorate an extensive range of cakes, pastries and other baked products. You will also learn about OH&S procedures, food hygiene and sanitation and effective workplace communication.

Successful completion of this course will enable you to work as a qualified baker in a large scale plant bakery, hot bread shop, pastry shop, or in a hotel or hospital bakery.

### Career Opportunities

- > Assistant Chef
- > Assistant Patisserie
- > Baker's Assistant
- > Pastry Chef

### Additional Costs

**Resource Fees:** \$500 per semester

**Uniform:** approximately \$250

**Equipment:** approximately \$250

More information on additional costs will be provided at orientation.

### Additional Information

1. Students who change streams midway through their course will be liable for additional costs of up to \$2,000.
2. To meet the assessment requirements of this course, you may be required to handle alcohol and all types of meat.

### Further Study

This is a standalone course however graduates of this course can continue into other Hospitality streams such as Asian Cookery, Commercial Cookery and Food and Beverage offered at various TAFE WA Institutes.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Commercial Cookery

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Hospitality</b> National Code: SIT60313 TAFE ID: J628 Duration - 2.5 years	<b>February</b> South West – Margaret River Durack – Geraldton* (Up to Certificate III only) <b>February or July</b> Challenger – Fremantle Polytechnic West – Bentley West Coast – Joondalup Kimberley – Broome* South West – Bunbury* (*Up to Diploma only)	<b>Certificate III in Commercial Cookery</b> National Code: SIT30813 TAFE ID: J619	081624G	1 year	\$14,400	← Year 10
		<b>Certificate IV in Commercial Cookery</b> National Code: SIT40413 TAFE ID: J624	081102A	6 months	\$7,200	
		<b>Diploma of Hospitality</b> National Code: SIT50313 TAFE ID: J627	081627E	6 months	\$7,200	
		<b>Advanced Diploma of Hospitality</b> National Code: SIT60313 TAFE ID: J628	081628D	6 months	\$7,200	

### Description

This course will develop the practical skills and knowledge you need to plan, organise, prepare and cook food in a commercial kitchen environment. You will develop skills to produce quality foods, plan menus, prepare food according to dietary or cultural needs, control costs, work as part of a team, and serve a range of meals in a professional manner.

You will then be required to practice these skills in a simulated work environment or at an appropriate hospitality establishment. Topics such as effective communication, occupational health and safety procedures and workplace hygiene are also covered.

### Career Opportunities

- > Executive Chef
- > Food and Beverage Manager
- > Head Chef
- > Hospitality Manager

		<b>Certificate IV in Web Based Technologies</b> National Code: ICA40311 TAFE ID: D559	043075C	6 months (1 year Central)	\$5,600 (\$11,200)	← Year 12 Please note Year 12 entry ONLY at Central
		<b>Diploma of Website Development</b> National Code: ICA50611 TAFE ID: D559	078740G	6 months (1 year Central)	\$5,600 (\$11,200)	

### Description

This course will develop the skills and knowledge required to design, build, manage and administer websites using a range of website technologies such as emerging technologies, social media and mobile/web applications.

You will learn how to be a competent senior ICT professional with responsibilities spanning design, development, site performance, database integration through to implementation and acceptance testing. You will also learn how to work as an independent web developer or as part of a team.

### Career Opportunities

- > Web Developer
- > Web Development Manager
- > Web Programmer
- > Website Manager
- > Webmaster
- > Web Administrator
- > Internet Developer

### Additional Costs

There are no additional costs for this course.

### Further Study

Graduates of the Diploma of Website Development can continue into the Associate Degree of Software Development (Mobile Applications) at Polytechnic West.

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

# MARITIME

> Maritime Operations  
(Watchkeeper Deck)

> Maritime Operations  
(Master Unlimited)

## Maritime Operations – (Watchkeeper Deck)

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Diploma of Maritime Operations (Watchkeeper Deck)</b> National Code: MAR50313 TAFE ID: J564 Duration - 38 weeks	<b>February or July</b> Challenger – Fremantle <b>2015 Start Dates</b> 2/2/2015 and 20/7/2015	18-36 months qualifying sea service on appropriate ships as a Deck Cadet or equivalent in an approved program  <b>Diploma of Maritime Operations (Watchkeeper Deck)</b> National Code: MAR50313 TAFE ID: J564 Eligible for orals examination by AMSA and to apply for Watchkeeper Deck certificate of competency	082873E	36 weeks	\$10,700	 Year 12 with passes in Maths and Physics <b>plus</b> letter of sea service assessment from the Australian Maritime Safety Authority (AMSA)*

### Description

This course will equip you with the skills and knowledge you need to be a Deck Watchkeeping Officer on any merchant ship of any size trading around the world. The course meets the STCW (Manila amendments) and is approved by the Australian Maritime Safety Authority (AMSA).

### Career Opportunities

> Deck Watchkeeper  
 3rd Officer (3rd Mate FG)  
 2nd officer (2nd Mate FG)

### Additional Costs

**Short Course Fees (\$5,910 which includes):** Personal Safety and Social Responsibility - \$140  
 Proficiency in Survival Craft - \$725  
 Personal Survival Techniques - \$635  
 Basic Fire Fighting Course - \$420  
 Advanced Fire Fighting Course - \$1,325  
 ECIDS course - \$1500  
 Maritime Resource Management Course - \$250  
 Medical First Aid - \$915

More information on additional costs will be provided at orientation.

### Additional Information

1. To meet regulatory attendance requirements, no late entry into the course is permitted.
2. Although the AMSA letter of assessment is not a pre-requisite for this course, it is essential for making an application for the AMSA Watchkeeper Deck Certificate of Competency.
3. \*Refer to the Australian Maritime Safety Authority (AMSA) website [www.amsa.gov.au](http://www.amsa.gov.au) for details about the letter of assessment for verification of qualifying sea service and eligibility requirements
4. Please note that AMSA does not recognise any overseas short courses.
5. An Australian Maritime Safety Authority (AMSA) recognised senior first aid or elementary first aid certificate is required before you can attend the medical first aid course.

6. Successful completion of this course and a subsequent AMSA oral examination complete the requirements for a Watchkeeper Deck Certificate of Competency. This certificate is internationally recognised.
7. Challenger Institute of Technology does not arrange sea service and its assessment. Please note that you are responsible for securing your own sea service and ensuring that you meet the eligibility requirements for AMSA certification

### Further Study

Graduates of this course can continue into the Advanced Diploma of Maritime Operations (Master Unlimited) MAR60213

Full course information can be found at our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

## Maritime Operations – (Master Unlimited)

Course Name + Duration	Intakes + Locations	Pathway	CRICOS Code	Pathway Duration	Tuition Fee	Minimum Entry Requirements
<b>Advanced Diploma of Maritime Operations (Master Unlimited)</b>  National Code: MAR60213 TAFE ID: J568 Duration – 48 weeks	<b>February or July</b>  Challenger – Fremantle 2015 Start Dates February 2/2/15 July 20/7/15	<b>Diploma of Maritime Operations (Watchkeeper Deck)</b> National Code: MAR50313 TAFE ID: J564 or equivalent	082873E	36 weeks	\$10,700	 Diploma of - Maritime Operations (Watchkeeper Deck) MAR50313 or equivalent <b>plus</b> letter of sea service assessment from the Australian Maritime Safety Authority (AMSA)*
		12-36 months qualifying sea time*				
		<b>Advanced Diploma of Maritime Operations (Master Unlimited)</b> National Code: MAR60213 TAFE ID: J568	082875C	46 weeks	\$11,200	
		Eligible for orals examination of AMSA and to apply for Chief Mate or Master Certificate certificate of competency				

### Description

This course will enable you to advance your knowledge of maritime operations and prepare you to work as a Deck Officer to take command or to be second in command of a merchant ship of any size trading worldwide. This course meets the STCW (Manila amendments) and is approved by AMSA.

### Career Opportunities

- > Chief Officer (Chief Mate FG)
- > Master (FG)
- > Pilot
- > Marine Manager
- > Vessel Superintendent
- > Nautical Surveyor
- > Marine Consultant

### Additional Costs

**Short Course Fees (\$5475 which includes):** ECDIS - \$1500  
 Maritime Resource Management Course - \$250  
 Personal Survival techniques - \$635;  
 Proficiency in Survival Craft - \$725  
 Advanced Fire Fighting Course - \$1,325  
 Medical care for Shipmasters - \$1675

More information on additional costs will be provided at orientation.

### Additional Information

1. To meet regulatory attendance requirements, no late entry into the course is permitted.
2. Although the AMSA letter of assessment is not a pre-requisite for this course, it is essential for making an application for the AMSA Chief Mate of Master Certificate of Competency.

3. \*Refer to the Australian Maritime Safety Authority (AMSA) website [www.amsa.gov.au](http://www.amsa.gov.au) for details about the letter of assessment for verification of qualifying sea service and eligibility requirements
4. Please note that AMSA does not recognise any overseas short courses.
5. Successful completion of this course and a subsequent AMSA oral examination completes the requirements for a Chief Mate or Master Certificate of Competency, depending on the qualifying sea service. This certificate is internationally recognised.
6. Challenger Institute of Technology does not arrange sea service and its assessment. Please note that you are responsible for securing your own sea service and ensuring that you meet the eligibility requirements for AMSA certification

### Further Study

Please contact Challenger's Maritime Centre for information relating to university pathways.

		<b>Diploma of Environmental Monitoring and Technology</b> National Code: MSS50211 TAFE ID: D553	081223C	1.5 years	\$11,200	← Year 12

### Description

This course will equip you with the knowledge and skills you need to conduct environmental sampling, testing and monitoring in most industry sectors. You will also learn how to assist environmental scientists, engineers and planners with site assessment, minimising environmental impacts of processes and remediation/rehabilitation of sites.

### Career Opportunities

- > Assistant Field Officer
- > Environmental Technician
- > Local Government Officer
- > Technical Officer
- > Water Resources Officer

### Additional Costs

#### Certificate III Resource Fees:

Central - \$485 per semester;  
 Challenger - \$550.

#### Certificate IV and Diploma Resource Fees:

Central - \$265 per semester;  
 Challenger - \$468 per semester

**Lab Coat:** approximately \$100

More information on additional costs will be provided at orientation.

### University Pathways

		<b>Diploma of Landscape Design</b> National Code: AHC50610 TAFE ID: D518	078279B	6 months	\$5,600	

### Description

This course will provide you with the practical skills and knowledge you need to design garden landscapes or renovate existing gardens. You will learn how to assess a landscape site, design or construct landscape features, produce computer-aided drawings and prepare quotes and tenders. You will also learn about sustainable landscape designs, manage landscape projects and permaculture principles and practices.

### Career Opportunities

- > Landscape Designer
- > Landscape Gardener
- > Landscape Consultant

### Additional Costs

#### Certificate II Resource Fees:

\$626 per semester

#### Certificate III Resource Fees:

\$543 per semester

#### Certificate IV Resource Fees:

\$272 per semester

#### Diploma Resource Fees:

\$183 per semester

**Special Clothing:** approximately \$250

**Equipment Fees:** approximately \$250

More information on additional costs will be provided at orientation.

### Further Study

Graduates can continue into a University undergraduate degree.

Advanced standing may be granted but will vary between Universities.

For more information about university pathways or course information please go to our website [www.eti.wa.edu.au](http://www.eti.wa.edu.au)

		<b>Diploma of Laboratory Technology</b> National Code: MSL50109 TAFE ID: W737	075984A	1 year	\$11,200	

### Description

This course will enable you to gain the complex skills you need to work in a laboratory. You will learn how to use laboratory application software, and how to analyse, process and interpret data and report results. You will also learn how to apply quality system and continuous improvement processes. During this course you will also specialise in a particular area such as chemical or biomedical.

### Career Opportunities

- > Instrument Operator
- > Laboratory Assistant
- > Laboratory Supervisor
- > Laboratory Technician
- > Technical Assistant
- > Technical Laboratory Officer

### Additional Costs

**Certificate III Resource Fees:**  
 Challenger - \$560 per semester;  
 Central - \$423 per semester;  
 South West - \$450 per semester

### Certificate IV Resource Fees:

Challenger - \$500 per semester;  
 Central - \$325 per semester;  
 South West - \$450 per semester

### Diploma Resource Fees:

Challenger - \$335 per semester;  
 Central - \$248 per semester;  
 South West - \$400 per semester

### Special Clothing:

approximately \$150  
 More information on additional costs will be provided at orientation.

# ENGLISH LANGUAGE COURSES (ELICOS)

## Why study English?

- > To improve your English language skills
- > To prepare for your TAFE studies
- > To develop your English skills to help with future job opportunities

## Why Choose a TAFE English course?

The TAFE Western Australia English Language Intensive Courses for Overseas Students (ELICOS) Centres are government owned and operated. You can be confident you have selected a professional and financially secure institute.

## What English courses can I study?

A range of English courses are available through the ELICOS (English Language Intensive Course for Overseas Students) Centres at:

<b>English for Academic Purposes</b>	This course will help you develop the basic skills necessary for successful study in Certificate and Diploma courses.	Central Institute
<b>General and Academic English</b>	General English courses will help you to develop your speaking, listening, reading and writing skills. You will improve your English language skills for general everyday travel, work in an English speaking country, or for further academic study.  Academic English courses will help you develop the basic skills necessary for successful study in Certificate and Diploma courses.	Central Institute (General English only) Polytechnic West
<b>International Business English</b>	This course is for students with intermediate or higher language skills. Class activities are designed to improve your business and academic skills.	Central Institute
<b>IELTS Ready Preparation</b>	This course will take you through the structure of the IELTS test using official IELTS practice tests. You will receive feedback from experienced lecturers, some are experienced IELTS assessors.	Polytechnic West
<b>IELTS Plus</b>	These courses are for students at upper-intermediate and advanced levels who are preparing to enter Certificate and Diploma courses or university study. The course focuses on developing the skills and knowledge needed to take an IELTS test, and improving academic language and study skills in an Australian context.	Central Institute
<b>Vocational English courses</b>	Certificates I-IV are nationally accredited courses. Each course is 20 weeks duration. Completion of Certificate IV is an accepted English language level for entry into most vocational education courses.	Polytechnic West

## Course Duration

This depends on you and the English level you wish to achieve. As a guide allow approximately 10 weeks English tuition for every increase of 0.5 in the IELTS level you wish to achieve. For example; if you have an IELTS 4.5 and need IELTS 5.5, we would recommend 20 weeks of academic English.

## Tuition Fees

\$300 (AUD) per week

## Course Dates

The English Language Courses (ELICOS) course dates are found in the Important Dates section on page 25.

## Fully Accredited ELICOS Centres

The ELICOS Centres have the following accreditation and memberships:

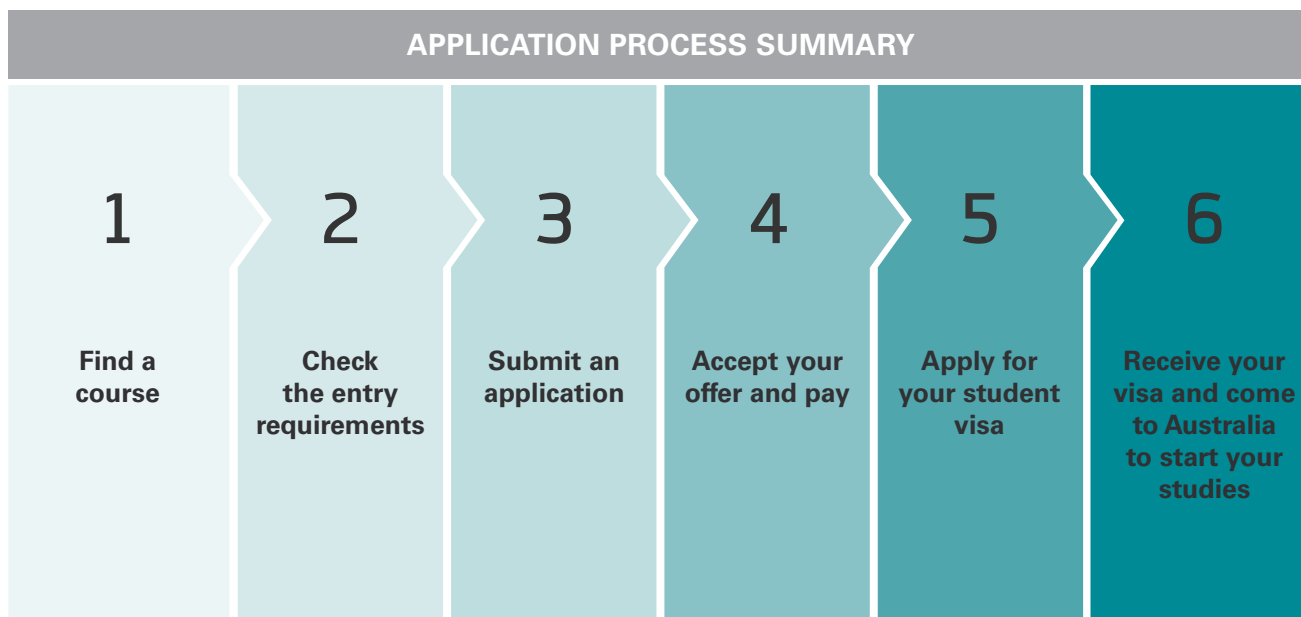

Accredited by NEAS Australia for the provision of the highest quality English language teaching programs.

English Australia (EA) membership: the peak professional body for all accredited English language programs.

# APPLICATION INFORMATION

## Application Process

### 1. Find a Course

You can choose from over 250 TAFE courses. Visit the online course catalogue at [www.eti.wa.edu.au/course-catalogue](http://www.eti.wa.edu.au/course-catalogue) for information on courses.

### 2. Check the Entry Requirements

All applicants can study at TAFE in the calendar year that they are turning 18. There are no English or Academic entry requirements to begin our English (ELICOS) programs. However, all of our Certificate and Diploma courses have specific Academic and English proficiency requirements. Refer to the courses section in this guide and the Admission Requirements and English Language Requirements on pages 20-22 for more details.

Make sure that you can meet the entry requirements of your chosen course before you proceed to the next step in the application process.

#### Application + Acceptance Deadlines

Deadlines for submitting applications to Education and Training International (ETI) for admission to TAFE courses depend on the assessment level countries students are applying from and whether or not students are applying on or offshore. Level 3 offshore applications should apply early for places, as visa processing can take more time.

Students should also be aware that there are deadlines for accepting offers and making fee payment.

*Confirmation of Enrolments (CoEs)* will not be issued after the cut-off date. This is to ensure that students leave a reasonable time to get their visa and arrive in time for orientation and the start of classes.

Visit the website for information on important dates and deadlines: [www.eti.wa.edu.au](http://www.eti.wa.edu.au).

### 3. Submit your Application

You can apply to study at a TAFE Institute by completing your application online at: [www.eti.wa.edu.au/apply](http://www.eti.wa.edu.au/apply). You can apply directly to ETI or you can apply through one of ETI's approved education agents. You pay the same fees whether you apply directly to us or through one of our education agents.

Many students choose to apply directly, especially as they can use this guide and the ETI website to find all the information they need and submit their applications online. Other students choose to use education agents to assist them in preparing and submitting their study and visa applications. If you do not already have an agent, you can find an approved ETI agent on our website: [www.eti.wa.edu.au/find-an-education-agent](http://www.eti.wa.edu.au/find-an-education-agent).

#### Receive Your Letter of Offer

Once we have received your application and supporting documentation, we will assess your eligibility to study your selected course(s). If eligible and there are places available we will send you a 'Letter of Offer'. This letter will be sent to you directly or through the education agent you have nominated according to your instructions on the application form.

If we have not received all of the required supporting documentation from you, for example certified copies of certificates etc. then your Letter of Offer will have conditions listed noting the information you still need to provide.

There are many high demand courses that fill up very quickly, so you should consider returning your acceptance and payment promptly.

Your place is not confirmed until payment is made, conditions are met, and you have returned and signed the acceptance letter.

You must allow sufficient time before your course starts to obtain your visa and make arrangements to come to Western Australia. Usually at least 3 - 6 months is needed to do this.

#### 4. Accept your Offer and Pay

To accept your Offer, you must return your signed Acceptance Form with:

- > Supporting documentation that you were requested to supply, in your Letter of Offer (i.e. conditions).
- > Payment of your schedule of fees, as indicated in your Letter of Offer.

#### 5. Receive your Confirmation of Enrolment (CoE) and apply for your Student Visa

Once you have met any conditions and made the minimum initial payment required, we will provide you with a Confirmation of Enrolment (CoE) which you will need in order to apply for a Student Visa at the Australian High Commission or Embassy in your country.

You must have a student visa in order to enter Australia and commence your studies.

The latest and most accurate information on obtaining your student visa can be found on the Department of Immigration and Border Protection's website: [www.immi.gov.au](http://www.immi.gov.au).

If you need help obtaining your visa and other aspects of moving to Australia, which may be best provided in your own country or language, then you might like to use the services of one of ETI's approved education agents.

#### 6. Receive your Visa and come to Australia to commence your studies

When your student visa has been granted, you are ready to come to Western Australia to begin your course. Please take note of the Orientation dates for your Institute as you will be provided with important information that you need to know to successfully complete your course of study and to make the most of your time in Western Australia.

You must arrive in Australia prior to the commencement of your course or your enrolment may be deferred to the next available intake and you may have to return home.

## Enrolment Conditions

### 1. ESOS Act and National Code

The Australian Government wants international students in Australia to have a safe, enjoyable and quality study experience. Australian laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS (Education Services for Overseas Students) framework and they include the ESOS Act and the National Code. For information about ESOS and your rights as an international student in Australia please go to the Australian Education International (AEI) website: [www.aei.gov.au](http://www.aei.gov.au).

### 2. Code of Conduct

#### Student Responsibilities

**International students should ensure that they:**

1. Meet TAFE course requirements and meet the requirements of the *Australian Government's Department of Education and Department of Immigration and Border Protection (Immigration) Course Progress Policy*.
2. Notify the International Student Coordinator at their TAFE Institute of their residential address within seven days of arrival and of any change to their residential address within seven days of any change.
3. Notify the International Student Coordinator at their TAFE Institute immediately if they want to terminate their studies, withdraw from their course, or there are any changes to their visa status.
4. Pay the required fees when an Offer of Placement is made or owing on receipt of invoice.
5. Not engage in activities that contravene Australian law. (Students who do so will be terminated and reported to Immigration).
6. Not engage in plagiarism, or cheating, which are serious offences and may result in cancellation of your enrolment.
7. Allow other students to learn in a safe and suitable environment. In the case of students who are under 18 years of age, the parent or guardian must ensure compliance with all of the above.

#### Provider Responsibilities

#### Education + Training International and TAFE Institute Responsibilities:

1. Provide international students with the same level of instruction and educational services as normally provided to Australian students enrolled at TAFE.
2. Provide an orientation program for international students.

3. Monitor the welfare of students and provide counselling and ongoing support while enrolled at TAFE.
4. Appoint one or more staff members to act as the point of contact for students.

### 3. Changing Course and/or Campus

If you decide you would like to change the course you are studying, or attend classes at a different campus of the Institute you are enrolled at, you should contact the International Centre at your Institute to discuss whether this is possible and how this may affect your visa.

If you choose to proceed with a change of course or campus you will need to complete a *Change of Course Application Form* or a *Change of Campus Request Form*, which can be downloaded from [www.eti.wa.edu.au/current-students/policy-and-forms](http://www.eti.wa.edu.au/current-students/policy-and-forms). You will be contacted by ETI via email during this process and advised in writing of the outcome.

### 4. Transferring to a different Institute

Students who have not completed 6 months of study in their principal course\* with Education and Training International (ETI) and wish to transfer to another provider must complete a Release Letter Request Form.

*\*The principal course is defined as the highest qualification in a package of courses.*

Release letters will only be granted in compassionate and compelling circumstances relating to the welfare of the student. Compassionate and/or compelling circumstances are defined as a sudden change of circumstances beyond the student's control that impact plans for on-campus study in Australia, such circumstances must be supported by documentary evidence.

If you are under 18 years of age you must provide a letter from your parent/guardian to support your application for release. Applications for release can be made by completing a *Release Letter Request Form*, which can be downloaded from: [www.eti.wa.edu.au/current-students/policy-and-forms](http://www.eti.wa.edu.au/current-students/policy-and-forms).

Your application must detail the reason(s) for early release, full details of the new Institute and course you will be enrolling into, and a valid offer of enrolment from the new Institute. If your release is approved you will be issued a release letter. You must then contact Immigration to notify them that you have changed provider, as this may affect your visa. If your release is refused you will receive a written reply outlining the reasons for refusal. You will have 20 days to appeal the decision.

### 5. Course Progress

As an international student, if you do not achieve satisfactory course progress you may not be able to continue your studies. To achieve satisfactory course

progress, you must have passed or demonstrated competency in 50% or more of the units you are enrolled into each semester.

To show that you are making every effort to achieve satisfactory course progress, it is very important that you attend all scheduled classes, unless you are ill or have a personal issue that needs urgent attention.

If you are unable to attend class, you should contact your lecturer and the International Centre at your Institute. If you do not attend classes and do not notify the International Centre, then your continuing enrolment and visa may be at risk.

If you have not been attending classes and/or not completing assessments, then your lecturers are required to notify the International Centre that you are at risk of unsatisfactory course progress. A member of the International Centre staff will then contact you to discuss your progress and work with you to put in place a plan to help you to get your studies back on track.

If you have made unsatisfactory progress, that is, achieved less than 50% of the course requirements in two consecutive study periods i.e. two consecutive terms; then your enrolment may be cancelled and a report sent to the Immigration which may affect your visa.

### 6. Attendance requirements - ELICOS Students

If you are enrolled in an English Language Intensive Courses for Overseas Students (ELICOS) program, you must attend 80% of all timetabled classes. If you do not attend, are more than 20 minutes late to class or you leave class before the scheduled finish time; then you will be marked absent. If you cannot attend for two or more days you must obtain a medical certificate and provide a copy to the International Centre at your Institute.

If you attend less than 80% of your classes, you will be notified in writing by a member of the International Centre staff and you will be required to attend a meeting to discuss your unsatisfactory attendance. You may bring a support person with you to this meeting.

If you have unsatisfactory attendance that is, attended less than 80% of all timetabled classes; your enrolment may be cancelled and a report sent to Immigration which may affect your visa.

### 7. Late Arrival

Students must ensure that they arrive on or before the commencement date indicated on their letter of offer. Late starts will only be granted in exceptional circumstances, where evidence can be provided. Approval for a late start must be obtained and granted prior to your course commencement date. Students who cannot arrive on time may be required to defer their enrolment to the next available intake.

## 8. Deferral or Suspension of Study

**Your enrolment can be deferred or temporarily suspended for compassionate grounds or exceptional circumstances, such as:**

- > severe medical illness to you or a member of your family;
- > death in your family;
- > medical condition while undertaking your studies
- > pregnancy; and
- > a natural disaster which affects you or your family.

**You must apply in writing to:**

Manager, Student Services and Compliance  
123 Adelaide Terrace  
East Perth WA 6004  
Email: [admissions.eti@dtwd.wa.gov.au](mailto:admissions.eti@dtwd.wa.gov.au)

Your application must detail your reason(s) for requesting to defer or temporarily suspend your studies and include documents to substantiate exceptional circumstances.

If you are under 18 years of age you must provide written support from your parent or legal guardian to support your application.

When a deferral or temporary suspension is approved, you will be advised in writing of the deferral period and your new commencement date. Immigration will be informed of the change relating to your course of study. This may affect your visa status. You will be advised of this when your application is processed. If the deferral or temporary suspension is refused, you will be advised in writing and you will have 20 days to lodge an appeal. Please refer to the *Complaints and Appeals Policy* on the website: [www.eti.wa.edu.au/current-students/complaints-and-appeals](http://www.eti.wa.edu.au/current-students/complaints-and-appeals).

## 9. Refunds and Withdrawals

After you have completed your enrolment your circumstances may change which means you may have to withdraw. To withdraw from your course, you must complete a *Refund and Withdrawal Form*, which can be downloaded from: [www.eti.wa.edu.au/current-students/policy-and-forms](http://www.eti.wa.edu.au/current-students/policy-and-forms).

When you have completed the form and provided any supporting documentation it will be processed. Please note that processing of your withdrawal, and any fee refund you may be due can take up to 4 weeks.

## 10. Complaints and Appeals

**Talk to someone at your TAFE Institute**

If you have a complaint about your course of study, you should try to resolve the problem by speaking with a staff member in the International Centre at your Institute. The staff member will discuss your complaint and possible courses of action with you. If you are unable to resolve your complaint, you may then make a formal complaint at your Institute. Your International Student Adviser will

be able to help you with this. To find contact details for the International Office at your Institute, please go to the website [www.eti.wa.edu.au](http://www.eti.wa.edu.au) and follow the links to find your Institute's profile page.

**Make a complaint to ETI**

If you have lodged a complaint with your Institute and are not satisfied with the outcome, you may take your complaint to Education and Training International (ETI). ETI will review the outcome and an independent judgement will be made. You will then be notified in writing of the outcome.

ETI aims to resolve all complaints within 10 working days, and will keep you informed of the progress of your complaint should it need further investigation.

**If your issue is still not resolved:**

**International Education Conciliation Service**

If you have tried to resolve your problem with your Institute/ETI and have not been able to come to a solution, you can get assistance from the International Education Conciliation Service at the Department of Education Services: [www.des.wa.gov.au/internationaleducation/ieconciliation](http://www.des.wa.gov.au/internationaleducation/ieconciliation)

The Conciliation Service is a free and independent service for international students which aims to help you find an appropriate solution to your problem.

**Western Australian Ombudsman**

The Ombudsman resolves complaints about the decision making of public authorities and aims to improve the standard of public administration.

If you have lodged an internal appeal and are not happy with the outcome you have the right to access an external complaints and appeals process.

The Western Australian Ombudsman will only consider whether ETI has followed its own policies and procedures and whether the handling of your complaint/appeal has been fair and reasonable.

**Complaints/Appeals must be made in writing to:**

Ombudsman Western Australia  
PO Box Z5386  
St Georges Terrace  
PERTH WA 6831  
Email - [mail@ombudsman.wa.gov.au](mailto:mail@ombudsman.wa.gov.au)

## Refund Policy – Student Visa Holders Only

The policy below will apply to students who are the holders of a student visa. It does not apply for enrolments where the student is on a Dependant Visa.

All ETI refunds will be made in accordance with the refund table and conditions contained in this policy.

A notice of withdrawal may be accepted as grounds for a partial refund of fees if the supporting documentary evidence can substantiate a claim due to:

- > illness or disability
- > death of a close family member (parent, sibling, spouse, child) or
- > political or civil event that prevents a student continuing a program

### Refund Requests

Refund applications for full or partial refunds must:

- > be made in writing using the *ETI Refund and Withdrawal form*
- > be accompanied by *Request for Release form* (if applicable)

- > set out the reasons for the request
- > be forwarded to: [admissions.eti@dtwd.wa.gov.au](mailto:admissions.eti@dtwd.wa.gov.au).

### The information provided by the student must include:

- > the student's signature (or guardian if under 18 years)
- > all supporting documents relevant to the claim

Refund applications will not be processed where the signature on the *Refund and Withdrawal form* does not match the student's signature as shown on other documents provided by the student for admission to ETI.

For minors the *Refund and Withdrawal form* must be signed by the nominated Parent/Guardian.

The date of the notification for refund is the date the completed form is received by ETI or date/time of email.

All amounts due to ETI must be paid before any refund is made. Any outstanding amounts will be deducted from the refund due.

All refunds will be paid in Australian dollars \$AUD, where this is not possible refunds will be paid in United States dollars \$USD. Fees paid by credit card will be refunded to the same credit card.

The application form that follows can be removed from this guide and completed in writing. When you have completed all details and attached all required documentation, please submit to ETI's Admissions Team at [admissions.eti@dtwd.wa.gov.au](mailto:admissions.eti@dtwd.wa.gov.au) or by post: ETI Admissions, PO Box 6830, East Perth BC, Western Australia 6892.

You can apply to study at a TAFE Western Australia Institute by completing your application online at [www.eti.wa.edu.au/apply](http://www.eti.wa.edu.au/apply). This is our preferred method and will receive priority processing.

In some countries you may find it helpful or convenient to seek the assistance of one of our Education Agents. They are available to assist you with your application and visa. Please go to [www.eti.wa.edu.au/find-an-education-agent](http://www.eti.wa.edu.au/find-an-education-agent) for details of your nearest agent.
